- (2) Every public authority to which this section applies must (so far as is consistent with their proper exercise)—
 - (a) exercise its functions in the manner which the authority considers best furthers the conservation objectives stated for the MCZ;
 - (b) where it is not possible to exercise its functions in a manner which furthers those objectives, exercise them in the manner which the authority considers least hinders the achievement of those objectives.
- (3) If a public authority considers that any of its functions is such that the exercise of the function would or might significantly hinder the achievement of the conservation objectives for an MCZ, it must inform the appropriate statutory conservation body of that fact.
- (4) Subject to subsection (6), subsection (5) applies in any case where a public authority intends to do an act which is capable of affecting (other than insignificantly)—
 - (a) the protected features of an MCZ;
 - (b) any ecological or geomorphological process on which the conservation of any protected feature of an MCZ is (wholly or in part) dependent.
- (5) If the authority believes that there is or may be a significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ, the authority must notify the appropriate statutory conservation body of that fact.
- (6) Subsection (5) does not apply where—

 - (b) the authority thinks that there is an urgent need to do the act.
- (9) If a public authority considers that a relevant event has occurred, it must inform—
- (a) the relevant authority, and
 - (b) the appropriate statutory conservation body,
- of that fact.
- (10) A “relevant event” is any act—
- (a) in relation to which the public authority exercises functions,
 - (b) which the authority believes to be an offence, and
 - (c) which the authority considers will or may significantly hinder the achievement of the conservation objectives for an MCZ.
- (11) For the purposes of subsection (9) “relevant authority” means—
- (a) in relation to an MCZ in Wales [^{F13}or the Welsh offshore region], the Welsh Ministers;
 - (b) in relation to an MCZ in the Scottish offshore region, the Scottish Ministers;

 - (a) there is no other means of proceeding with the act which would create a substantially lower risk of hindering the achievement of those objectives,
 - (b) the benefit to the public of proceeding with the act clearly outweighs the risk of damage to the environment that will be created by proceeding with it, and
 - (c) the person seeking the authorisation will undertake, or make arrangements for the undertaking of, measures of equivalent environmental benefit to the damage which the act will or is likely to have in or on the MCZ.

 - (a) in another manner, or
 - (b) at another location.
