SCHEDULES

SCHEDULE 17

CONDITIONS OF DEEMED PLANNING PERMISSION

PART 1

CONDITIONS

Condition relating to other construction works

- 3 (1) If the relevant planning authority is a qualifying authority, development to which this paragraph applies must be carried out in accordance with plans and specifications for the time being approved by that authority.
- (2) This paragraph applies to development to the extent that it consists of the construction of any of the following—
- (a) a road vehicle park;
 - (b) earthworks;
 - (c) sight, noise or dust screens;
 - (d) transformers, telecommunications masts or pedestrian accesses to railway lines;
 - (e) fences or walls;
 - (f) lighting equipment.
- (3) In this paragraph “relevant planning authority” means the unitary authority or, in a non-unitary area, the district council in whose area the development is carried out.
- (4) The relevant planning authority may, on approving a plan or specification for the purposes of this paragraph, specify any respect in which it requires there to be submitted for approval additional details of the operation or work which gives rise to the need for approval under sub-paragraph (1).
- (5) Where the relevant planning authority exercises the power conferred under sub-paragraph (4), the plans and specifications in accordance with which the development is required under sub-paragraph (1) to be carried out must, as regards the specified respect, include a plan or specification showing the additional details.
- (6) The relevant planning authority may only refuse to approve plans or specifications for the purposes of this paragraph on a ground specified in relation to the work in question in the following table.
