SCHEDULE 32

PROTECTIVE PROVISIONS

PART 5

CANAL & RIVER TRUST

- 55 (1) Any specified work, and any protective works required by Canal & River Trust under paragraph 54(3)(b), must be constructed with all reasonable despatch to the reasonable satisfaction of Canal & River Trust, and in such manner as to cause as little damage to the canal as may be reasonably practicable and as little interference as may be reasonably practicable with the passage of vessels using the canal and use of the towpath, and Canal & River Trust is to be entitled by its officer at all reasonable times, on giving such notice as may be reasonable in the circumstances, to inspect the construction of such work or works.
- (2) The nominated undertaker must give to Canal & River Trust not less than 28 days' notice of its intention to commence construction of any specified work or any protective works and also, except in emergency (when the nominated undertaker is to give such notice as may be reasonably practicable), of its intention to carry out any works for the repair or maintenance of any specified work insofar as such works of repair or maintenance affect or interfere with the canal.

Changes to legislation:
