(8) The powers of compulsory acquisition of land conferred by this Order shall not apply in relation to any land of which temporary possession has been taken under paragraph (1) above except that the Executive shall not be precluded from acquiring new rights over any part of that land under article 26 above.

(9) Where the Executive takes possession of land under this article, it shall not be required to acquire the land or any interest in it.

(10) In this article "building" includes any structure or erection.

### **Temporary use of land for maintenance of works**

**29.—**(1) At any time during the maintenance period relating to any scheduled works, the Executive may—

- (a) erect upon and take temporary possession of any land within the limits of deviation, limits of widening or limits of land to be acquired or used and lying within 20 metres from those works if such possession is reasonably required for the purpose of, or in connection with, maintaining the works or any ancillary works connected with them;
- (b) construct such temporary works (including the provision of means of access) and buildings on the land as may be reasonably necessary for that purpose.

(2) Paragraph (1) above shall not authorise the Executive to take temporary possession of—

- (a) any house or garden belonging to a house; or
- (b) any building (other than a house) if it is for the time being occupied.

(3) Not less than 28 days before entering upon and taking temporary possession of land under this article the Executive shall serve notice of the intended entry on the owners and occupiers of the land.

(4) The Executive may only remain in possession of land under this article for so long as may be reasonably necessary to carry out the maintenance works and restore the land to the reasonable satisfaction of the owners of the land.

(5) Before giving up possession of land of which temporary possession has been taken under this article, the Executive shall remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land.

(6) The Executive shall pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the powers conferred by this article.

(7) Any dispute as to a person's entitlement to compensation under paragraph (6) above, or as to the amount of the compensation, shall be determined under Part I of the Land Compensation Act 1961.

(8) Without prejudice to article 41 below, nothing in this article shall affect any liability to pay compensation under section 10(2) of the 1965 Act or under any other enactment in respect of loss or damage arising from the execution of any works, other than loss or damage for which compensation is payable under paragraph (6) above.

(9) Where the Executive takes possession of land under this article, it shall not be required to acquire the land or any interest in it.

(10) In this article—

- (a) “the maintenance period”, in relation to a scheduled work, means the period of 5 years beginning with the date on which the work is opened for use;
- (b) “building” includes structure or any other erection; and
- (c) any reference to land within a specified distance of a work includes, in the case of work under the surface of the ground, a reference to land within the specified distance of the point on the surface below which the work is situated.

### *Compensation*

#### **Disregard of certain interests and improvements**

**30.**—(1) In assessing the compensation (if any) payable to any person on the acquisition from him of any land under this Order, the tribunal shall not take into account—

- (a) any interest in land, or
- (b) any enhancement of the value of any interest in land by reason of any building erected, works executed or improvement or alteration made on relevant land,

if the tribunal is satisfied that the creation of the interest, the erection of the building, the execution of the works or the making of the improvement or alteration was not reasonably necessary and was undertaken with a view to obtaining compensation or increased compensation.

(2) In paragraph (1) above “relevant land” means the land acquired from the person concerned or any other land with which he is, or was at the time when the building was erected, the works executed or the improvement or alteration made, directly or indirectly concerned.

### *Supplementary*

#### **Acquisition of part of certain properties**

**31.**—(1) This article shall apply instead of section 8(1) of the 1965 Act (as applied by article 25 above) in any case where—

- (a) a notice to treat is served on a person (“the owner”) under the 1965 Act (as so applied) in respect of land forming only part of a house, building or factory or of land consisting of a house with a park or garden (“the land subject to the notice to treat”); and
- (b) a copy of this article is served on the owner with the notice to treat.

(2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the Executive a counter-notice objecting to the sale of the land subject to the notice to treat and stating that he is willing and able to sell the whole (“the land subject to the counter-notice”).

(3) If no such counter-notice is served within that period, the owner shall be required to sell the land subject to the notice to treat.

(4) If such a counter-notice is served within that period, the question whether the owner shall be required to sell only the land subject to the notice to treat shall, unless the Executive agrees to take the land subject to the counter-notice, be referred to the tribunal.

(5) If on such a reference the tribunal determines that the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice, or

- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the owner shall be required to sell the land subject to the notice to treat.

(6) If on such a reference the tribunal determine that only part of the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice, or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the notice to treat shall be deemed to be a notice to treat for that part.

(7) If on such a reference the tribunal determine that—

- (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice, but
- (b) the material detriment is confined to a part of the land subject to the counter-notice,

the notice to treat shall be deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice, whether or not the additional land is land which the Executive is authorised to acquire compulsorily under this Order.

(8) If the Executive agrees to take the land subject to the counter-notice, or if the tribunal determine that—

- (a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house, and
- (b) that the material detriment is not confined to a part of the land subject to the counter-notice,

the notice to treat shall be deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the Executive is authorised to acquire compulsorily under this Order.

(9) In any case where by virtue of a determination by the tribunal under this article a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the Executive may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and if it does so shall pay the owner compensation for any loss or expense occasioned to him by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.

(10) Where the owner is required under this article to sell only part of a house, building or factory or of land consisting of a house with a park or garden, the Executive shall pay him compensation for any loss sustained by him due to the severance of that part in addition to the value of the interest acquired.

### **Extinction or suspension of private rights of way**

**32.—**(1) All private rights of way over land subject to compulsory acquisition under this Order shall be extinguished—

- (a) as from the acquisition of the land by the Executive, whether compulsorily or by agreement, or
- (b) on the entry on the land by the Executive under section 11(1) of the 1965 Act,

whichever is sooner.

(2) All private rights of way over land of which the Executive takes temporary possession under this Order shall be suspended and unenforceable for as long as the Executive remains in lawful possession of the land.

(3) Any person who suffers loss by the extinguishment or suspension of any private right of way under this article shall be entitled to compensation to be determined, in case of dispute, under Part I of the Land Compensation Act 1961.

(4) This article does not apply in relation to any right of way to which section 271 or 272 of the 1990 Act (extinguishment of rights of statutory undertakers etc.) or paragraph 2 of Schedule 9 to this Order applies.

### **Time limit for exercise of powers of acquisition**

**33.**—(1) After the end of the period of 5 years beginning with the day on which this Order comes into force—

- (a) no notice to treat shall be served under Part I of the 1965 Act as applied to the acquisition of land by article 25 above; and
- (b) no declaration shall be executed under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981(4), as applied by article 24 above.

(2) The powers conferred by article 28 above shall cease at the end of the period referred to in paragraph (1) above, save that nothing in this paragraph shall prevent the Executive remaining in possession of land after the end of that period, if the land was entered and possession of it was taken before the end of that period.
