The Hazardous Waste (England and Wales) Regulations 2005

PART 4

MIXING HAZARDOUS WASTE

Prohibition on mixing hazardous waste without a permit

19.—(1) Subject to paragraphs (2) and (3), no establishment or undertaking which carries out the disposal or recovery of hazardous waste, or which produces, collects or transports hazardous waste, shall mix any hazardous waste.

(2) Paragraph (1) does not apply so as to prohibit a process by which waste is produced and which results in the production of mixed wastes, being a process other than one which mixes a waste with any other waste, substance or material, resulting in—

- (a) a change in the nature or composition of that waste;
- (b) or the production of another waste.

(3) Paragraph (1) does not apply to the extent that the mixing is part of a disposal or recovery operation and is authorised by, and is conducted in accordance with, the requirements (howsoever expressed) of a waste permit or a registered exemption.
