2006 No. 1838

The Inquiry Rules 2006

Evidence

9.—(1) The inquiry panel must send a written request for a written statement to any person from whom the inquiry panel proposes to take evidence.

(2) The inquiry panel must send a written request to any person that it wishes to produce any document or any other thing.

(3) The inquiry panel may make a written request for further evidence, being either a written statement or oral evidence.

(4) Any request for a written statement must include a description of the matters or issues to be covered in the statement.
