**The Town and Country Planning (Environmental
Impact Assessment) Regulations 2011**

PART 5

Publicity and Procedures on Submission of Environmental Statements

Publicity where an environmental statement is submitted after the planning application

17.—(1) Where an application for planning permission or a subsequent application has been made without an environmental statement and the applicant proposes to submit such a statement, the applicant shall, before submitting it, comply with paragraphs (2) to (5).

(2) The applicant shall publish in a local newspaper circulating in the locality in which the land is situated a notice stating—

- (a) the applicant's name, that an application is being made for planning permission or subsequent consent, and the name and address of the relevant planning authority;
- (b) the date on which the application was made and, if it be the case, that it has been referred to the Secretary of State for determination or is the subject of an appeal to the Secretary of State;
- (c) the address or location and the nature of the proposed development;
- (d) that—
 - (i) a copy of the application, any accompanying plan and other documents, and a copy of the environmental statement, and
 - (ii) in the case of a subsequent application, a copy of the planning permission in respect of which that application has been made and supporting documents,may be inspected by members of the public at all reasonable hours;
- (e) an address in the locality in which the land is situated at which those documents may be inspected, and the latest date on which they will be available for inspection (being a date not less than 21 days later than the date on which the notice is published);
- (f) an address (whether or not the same as that given under sub-paragraph (e)) in the locality in which the land is situated at which copies of the statement may be obtained;
- (g) that copies may be obtained there so long as stocks last;
- (h) if a charge is to be made for a copy, the amount of the charge;
- (i) that any person wishing to make representations about the application should make them in writing, before the date named in accordance with sub-paragraph (e), to the relevant planning authority or (in the case of an application referred to the Secretary of State or an appeal) to the Secretary of State; and
- (j) in the case of an application referred to the Secretary of State or an appeal, the address to which representations should be sent.

(3) An applicant who is notified under regulation 10(2), 11(4) or 12(5) of such a person as mentioned in any of those paragraphs shall serve a notice on every such person; and the notice shall contain the information specified in paragraph (2), except that the date specified as the latest date on which the documents will be available for inspection shall not be less than 21 days later than the date on which the notice is first served.

(4) The applicant shall post on the land a notice containing the information specified in paragraph (2), except that the date named as the latest date on which the documents will be available for inspection shall be not less than 21 days later than the date on which the notice is first posted. This provision shall not apply if the applicant has not, and is not reasonably able to acquire, such rights as would enable the applicant to comply.

(5) The notice mentioned in paragraph (4) must—

- (a) be left in position for not less than 7 days in the 28 days immediately preceding the date of the submission of the statement; and
- (b) be affixed firmly to some object on the land and sited and displayed in such a way as to be easily visible to, and readable by, members of the public without going on to the land.

(6) The statement, when submitted, shall be accompanied by—

- (a) a copy of the notice mentioned in paragraph (2) certified by or on behalf of the applicant as having been published in a named newspaper on a date specified in the certificate; and
- (b) a certificate by or on behalf of the applicant which states either—
 - (i) that a notice was posted on the land in compliance with this regulation and when this was done, and that the notice was left in position for not less than 7 days in the 28 days immediately preceding the date of the submission of the statement, or that, without any fault or intention on the applicant's part, it was removed, obscured or defaced before 7 days had elapsed and the applicant took reasonable steps for its protection or replacement, specifying the steps taken; or
 - (ii) that the applicant was unable to comply with paragraphs (4) and (5) because the applicant did not have the necessary rights to do so; that any reasonable steps available to acquire those rights have been taken but unsuccessfully, specifying the steps taken.

(7) Where an applicant indicates that it is proposed to provide a statement in the circumstances mentioned in paragraph (1), the relevant planning authority, the Secretary of State or the inspector, as the case may be, shall (unless disposed to refuse the permission or subsequent consent sought) suspend consideration of the application or appeal until receipt of the statement and the other documents mentioned in paragraph (6); and shall not determine it during the period of 21 days beginning with the date of receipt of the statement and the other documents so mentioned.

(8) Where it is proposed to submit an environmental statement in connection with an appeal, this regulation applies with the substitution of references to the appellant for references to the applicant.
