For the financial year beginning on 1st April *[insert relevant financial year]* *[insert name of authority in respect of which referendum is held]* has set an increase of *[insert percentage change in relevant basic amount of council tax from preceding financial year to the relevant financial year expressed to one decimal place]* in the amount it charges.

If most voters choose ‘no’, the increase will be *[insert what the percentage change in the authority’s relevant basic amount of council tax from the preceding financial year to the relevant financial year expressed to one decimal place will be if the authority’s relevant basic amount of council tax is not approved]* instead.

Votes marked by presiding officer

29.—(1) The presiding officer, on the application of a voter or proxy—

- (a) who is incapacitated by blindness or other disability from voting in the manner directed by these Rules; or
- (b) who declares orally that he or she is unable to read,

must, in the presence of the polling observers (if any), cause that person's vote to be marked on a ballot paper in the manner directed by that person, and the ballot paper to be placed in the ballot box.

(2) The name and number on the register of electors of every person whose vote is marked in pursuance of this rule, and the reason why it is so marked, must be entered on a list (in these Rules called “the list of votes marked by the presiding officer”).

(3) In the case of a person voting as proxy for a voter, the number to be entered together with the proxy's name shall be the number in the register of the voter.

(4) In the case of a person in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act, paragraph (2) applies as if for “on the register of electors of every person” there were substituted “relating to every person in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act”.

- (a) blindness or other disability; or
- (b) inability to read,

to vote with the assistance of another person by whom he or she is accompanied (in these Rules referred to as “the companion”), the presiding officer must require the voter or proxy to declare, orally or in writing, whether he or she is so incapacitated by his or her blindness or other disability, or by his or her inability to read, as to be unable to vote without assistance.

(b) is also satisfied by a written declaration made by the companion (in these Rules referred to as “the declaration made by the companion of a voter or proxy with disabilities”) that the companion—

(i) is a qualified person within the meaning of this rule; and

(ii) has not previously assisted more than one voter or proxy with disabilities to vote at the referendum,

the presiding officer must grant the application, and then anything which is by these Rules required to be done to or by that voter or proxy in connection with the giving of his or her vote may be done to, or with the assistance of, the companion.

(3) For the purposes of these Rules, a person is a voter or proxy with disabilities if he or she has made such a declaration as is mentioned in paragraph (1), and a person shall be qualified to assist a voter or proxy with disabilities to vote if that person—

(a) is a person who is entitled to vote on his or her own behalf at the referendum; or

(b) is the father, mother, brother, sister, spouse, civil partner, son or daughter of the voter or proxy and has attained the age of 18 years.

(4) The name and number in the register of electors of every person whose vote is given in accordance with this rule and the name and address of the companion must be entered on a list (in these Rules referred to as “the list of voters and proxies with disabilities assisted by companions”).

In the case of a person voting as proxy for a voter, the number to be entered together with the proxy's name shall be the number in the register of the voter.

(5) In the case of a person in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act, paragraph (4) applies as if for “in the register of electors of every person” there were substituted “relating to every person in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act”.

(6) The same list may be used for the referendum and each relevant election or referendum and, where it is so used, an entry in that list shall be taken to mean that the votes were so given in respect of each election or referendum, unless the list identifies the election or referendum at which the vote was so given.

(7) The declaration made by the companion of a voter or proxy with disabilities—

(a) must be in the form in the Appendix;

(b) must be made before the presiding officer at the time when the voter or proxy applies to vote with the assistance of a companion; and

EXPLANATORY NOTE

(This note is not part of the Order)

These Regulations make provision for the conduct of referendums held under Chapter 4ZA of Part 1 of the Local Government Finance Act 1992 (“the 1992 Act”). These Regulations only apply in relation to England. The referendums will relate to the question of whether a council tax increase set by an authority – a billing authority, a major precepting authority, or a local precepting authority – for a financial year is approved of.

Regulation 3 and Schedule 1 prescribe the form of words of the question to be asked in a referendum.

Regulation 4 requires a billing authority, and Regulation 5 requires a precepting authority (other than the Greater London Authority), that has determined that its relevant basic amount of council tax for a financial year is excessive under section 52ZB of the 1992 Act, to fulfil certain publicity requirements relating to the referendum and imposes time limits by which notice must be given. Regulation 6 imposes similar publicity requirements where the Greater London Authority has determined, under section 52ZB(3) of the 1992 Act, that its relevant basic amount of council tax for a financial year is excessive.

Regulation 7 sets out the further information that must be published in connection with a referendum, not fewer than 28 days before the date it is held, by an authority that has determined that its relevant basic amount of council tax for a financial year is excessive.

Regulation 8 sets out the formula to be applied by a local precepting authority to calculate the council tax applicable to dwellings listed in different valuation bands. The amount calculated using the formula is to be provided in the statement that a local precepting authority has to provide under regulation 7 when it has determined that its relevant basic amount of council tax for a year is excessive.

Regulation 9 requires a billing authority that is required to make arrangements to hold the referendum by virtue of section 52ZG or 52ZN of the 1992 Act to provide a precepting authority with such information as it may reasonably require in exercising its functions under these Regulations.

Regulation 10 imposes restrictions on the material that may be published by or on behalf of an authority in the period beginning on the date on which an authority determines that its relevant basic amount of council tax for the relevant financial year is excessive under section 52ZB of the 1992 Act and ending on the date of the referendum.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to *The Local Authorities (Conduct of Referendums) (Council Tax Increases) (England) Regulations 2012*. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

Regulation 11 permits an authority to publish a statement explaining the reasons for the authority's council tax increase; and the consequences if the authority's relevant basic amount of council tax for the relevant financial year is not approved. This statement must be published on or after the date on which the notice required to be published by regulation 4, 5 or 6 (as the case may be) is published, but not fewer than 28 days before the date on which the referendum will be held. Regulation 12 imposes a referendum expenses limit on the amount that may be incurred by way of referendum expenses. Schedule 2 makes provision about the matters relevant to referendum expenses. Under Regulation 12(3) there is an offence for expenditure in excess of the referendum expenses limit.

Regulation 13 provides for amounts relevant to the use of certain property, services and facilities to be treated as incurred by way of referendum expenses for the purposes of regulation 12.

Regulation 14 provides that a referendum is to be conducted in accordance with the Local Government Finance Act Referendums Rules (as contained in Schedule 3 to these Regulations), unless the poll at the referendum is taken together with the poll at a relevant election or referendum. Other electoral legislation is applied, with modifications, to facilitate the conduct of referendums (as set out in Tables 1 to 6 of Schedule 4).

Regulation 15 specifies who is to be the counting officer at the referendum.

Regulation 16 requires a precepting authority, where two or more referendums are held in respect of its relevant basic amount of council tax for the financial year, to appoint a Chief Counting Officer in relation to those referendums, whom may give directions to a counting officer.

Regulation 17 makes provision for the combination of polls in general. It also specifically makes provision regarding the combination of polls where a billing authority is required to make arrangements to hold two or more referendums in respect of amounts calculated by authorities in relation to the same financial year, and regarding where two or more referendums are required to be held in respect of a precepting authority's relevant basic amount of council tax for a relevant financial year.

Regulation 18 makes provision for the conduct of referendums when combined with the poll at elections or other referendums. The rules for conducting such referendums are again set out in full (the Local Government Finance Act Referendums (Combination of Polls) Rules), in Schedule 5. Other electoral legislation is applied to facilitate the conduct of such referendums.

Regulation 19 makes provision about the conduct of elections when they are combined with the poll at a referendum. Other electoral legislation is applied to facilitate the conduct of such elections.

Regulation 20 makes provision for a referendum to be challenged by the bringing of a referendum petition. The provisions of the Representation of the People Act 1983 (c 2) contained in Schedule 6 are applied with modifications to facilitate the bringing of a referendum petition to challenge a referendum. Schedule 7 makes modifications to the Election Petition Rules 1960, when applied to referendums by regulation 20(10).

Regulations 21 and 22 address the immediate consequences of the bringing of a referendum petition (as to whether the authority's calculations from which the relevant basic amount of council tax for the financial year was derived continue to have effect) and how a referendum petition is to be determined.

Regulation 23 provides for certain days to be ignored in computing certain periods of time for the purposes of regulations 4 to 7 and 11.

Regulation 24 exempts advertisements relating specifically to the referendum from regulations under the Town and County Planning Act 1990 (c 8) controlling the display of advertisements.

Regulation 25 provides that premises used in relation to the referendum for public meetings or the taking of the poll are to be treated as unoccupied for rating purposes.

Regulation 26 provides for how these Regulations should apply where an authority calculates basic amounts of council tax for its predecessor areas under Part 4 (Equalisation of Council Tax) of the Local Government (Structural Changes) (Finance) Regulations 2008.

Regulation 27 makes transitional provision for the financial year beginning on 1st April 2012 in relation to references in the Regulations to an authority's relevant basic amount of council tax

for the financial year preceding the relevant financial year. This is because for the financial year 2011-12 authorities will have calculated their council tax under the provisions of the 1992 Act as they existed before amendments were made by the Localism Act 2011. A full impact assessment has not been produced for these Regulations as no impact on the private or voluntary sectors is foreseen.
