(iii) an order for an appliance, not being a restricted availability appliance, signed by a prescriber, or

(iv) an order for a restricted availability appliance, signed by a prescriber, and including the reference “SLS”,

(b) C receives from the Electronic Prescription Service an electronic repeatable prescription which contains an order of a kind specified in sub-paragraph (a)(i) to (iv) and—

(i) any person requests the provision of a drug or an appliance in accordance with that repeatable prescription, or

(ii) C has previously arranged with the patient that it will dispense that repeatable prescription on receipt,

C must, with reasonable promptness, provide the drugs so ordered, and such of the appliances so ordered as C supplies in the normal course of business.

(a) C has that prescription in C’s possession; and

(b) that person presents, or C has in C’s possession, an associated batch issue.

Urgent supply without a prescription

4. Where, in case of urgency, a prescriber personally known to the LPS contractor (C) requests C to provide a drug, C may provide that drug (where it would otherwise be able to provide that drug in accordance with the LPS scheme) before receiving a prescription form or repeatable prescription, provided that—

(a) the drug is not a Scheduled drug;

(b) the drug is not a controlled drug within the meaning of the Misuse of Drugs Act 1971, other than a drug which is for the time being specified in Schedule 4 or 5 to the Misuse of Drugs Regulations 2001 (which relate to controlled drugs excepted from certain prohibitions under the Regulations); and

(i) give C a non-electronic prescription form or non-electronic repeatable prescription in respect of the drug within 72 hours of the request being made, or

(ii) transmit to the Electronic Prescription Service within 72 hours of the request being made an electronic prescription.

Preliminary matters before providing ordered drugs or appliances

5.—(1) If a person specified in paragraph (2) asks the LPS contractor (C) to do so—

(a) C must give an estimate of the time when the drugs or appliances will be ready; and

(b) if they are not ready by then, C must give a revised estimate of the time when they will be ready (until they are ready).

Status: This is the original version (as it was originally made).

- (2) A person specified in paragraph (1) is a person—
- (a) presenting a non-electronic prescription form or non-electronic repeatable prescription; or
 - (b) requesting the provision of drugs or appliances in accordance with an electronic prescription form or a repeatable prescription.

(3) Before providing any drugs or appliances in accordance with a prescription form or a repeatable prescription, C must ask any person who makes a declaration that the person named on the prescription form or the repeatable prescription does not have to pay the charges specified in regulation 3 (1) or (1A) of the Charges Regulations⁽⁵⁾ (supply of drugs and appliances by chemists) by virtue of either—

- (a) entitlement to exemption under regulation 7(1) of the Charges Regulations⁽⁶⁾ (exemptions); or
- (b) entitlement to remission of charges under regulation 5 of the Remission of Charges Regulations⁽⁷⁾ (entitlement to full remission and payment),

to produce satisfactory evidence of such entitlement, unless the declaration is in respect of entitlement to exemption by virtue of sub-paragraph (a), (c), (d), (e), (f) or (g) of regulation 7(1) of the Charges Regulations or in respect of entitlement to remission by virtue of regulation (5)(1) (e) or (2) of the Remission of Charges Regulations, and at the time of the declaration C already has such evidence available to C.

(4) If, in the case of a non-electronic prescription form or non-electronic repeatable prescription, no satisfactory evidence, as required by sub-paragraph (3), is produced, C must endorse the form on which the declaration is made to that effect.

(5) In the case of an electronic prescription, C must transmit to the Electronic Prescription Service—

- (a) in a case where exemption from or remission of charges is claimed for all or some of the items included in the prescription, a record of—
 - (i) the exemption category specified in regulation 7(1) of the Charges Regulations or the ground for remission under regulation 5 of the Remission of Charges Regulations which is claimed applies to the case, and
 - (ii) whether or not satisfactory evidence was produced to C as required by sub-paragraph (3);
- (b) in any case where a charge is due, confirmation that the relevant charge was paid; and
- (c) in a case of a prescription for or including contraceptive substances, confirmation that no charge was payable in respect of those substances.

Providing ordered drugs or appliances

6.—(1) Where the LPS contractor (C) is presented with, or receives from the Electronic Prescription Service, a prescription form or a repeatable prescription, C must only provide the drugs or appliances so ordered—

- (a) if the prescription form or repeatable prescription is duly signed and completed as described in paragraph 3(1) or (2); and
- (b) in accordance with the order on the prescription form or repeatable prescription,

⁽⁵⁾ Regulation 3 has been amended by S.I. 2002/2352, 2003/1084, 2004/865, 2005/578, 2008/571, 2009/411, 2010/1727, 2011/518 and 2012/470.

⁽⁶⁾ Regulation 7 has been amended by S.I. 2000/3189, 2002/2352, 2004/696, 2005/578 and 2009/29.

⁽⁷⁾ Regulation 5 has been amended by S.I. 2004/663 and 936, 2006/562, 2008/1697 and 2009/411.

subject to any regulations in force under the Weights and Measures Act 1985⁽⁸⁾ and the following provisions of this Schedule.

(2) If the order is for an appliance of a type requiring measuring and fitting by C (for example a truss), C shall make all necessary arrangements for—

- (a) measuring the person named on the prescription form or repeatable prescription for the appliance; and
- (b) fitting the appliance.

(3) If the order is for a drug or appliance included in the Drug Tariff, the British National Formulary (including any Appendix published as part of that Formulary), the Dental Practitioner's Formulary, the European Pharmacopoeia or the British Pharmaceutical Codex, the drug or appliance provided must comply with the relevant standard or formula specified therein.

(4) If the order—

- (a) is an order for a drug; but
- (b) is not an order for a controlled drug within the meaning of the Misuse of Drugs Act 1971⁽⁹⁾, other than a drug which is for the time being specified in Schedule 4 or 5 of the Misuse of Drugs Regulations 2001⁽¹⁰⁾ (which relate to controlled drugs excepted from certain prohibitions under the Regulations),

and does not prescribe its quality, strength or dosage, C (in practice, a registered pharmacist) may provide the drug in such strength and dosage as in the exercise of C's professional skill, knowledge and care C considers to be appropriate and, subject to sub-paragraph (5), in such quantity as C considers to be appropriate for a course of treatment for a period not exceeding 5 days.

(5) Where an order to which sub-paragraph (4) applies is for—

- (a) an oral contraceptive substance;
- (b) a drug, which is available for supply as part of local pharmaceutical services only together with one or more other drugs; or
- (c) an antibiotic in a liquid form for oral administration in respect of which pharmaceutical considerations require its provision in an unopened package,

which is not available for provision as part of local pharmaceutical services except in such packages that the minimum size available contains a quantity appropriate to a course of treatment for a period of more than 5 days, C may provide the minimum size available package.

(6) Where any drug to which this sub-paragraph applies (that is, a drug that is not one to which the Misuse of Drugs Act 1971 applies, unless it is a drug for the time being specified in Schedule 5 to the Misuse of Drugs Regulations 2001), ordered by a prescriber on a prescription form or repeatable prescription, is available for provision by C in a pack in a quantity which is different to the quantity which has been so ordered, and that drug is—

- (a) sterile;
- (b) effervescent or hygroscopic;
- (c) a liquid preparation for addition to bath water;
- (d) a coal tar preparation;
- (e) a viscous preparation; or
- (f) packed at the time of its manufacture in a special container,

⁽⁸⁾ 1985 c. 72.

⁽⁹⁾ 1971 c.38; *see* section 2(1)(a) of that Act, which defines "controlled drug" for the purposes of that Act.

⁽¹⁰⁾ S.I. 2001/3998. Schedule 4 has been amended by S.I. 2003/1432, 2005/3372, 2007/2154 and 2009/3136, and Schedule 5 has been amended by S.I. 2005/2864.

Status: This is the original version (as it was originally made).

C must provide the drug in the pack whose quantity is nearest to the quantity which has been so ordered.

(7) In this paragraph, “special container” means any container with an integral means of application or from which it is not practicable to dispense an exact quantity.

(8) Subject to sub-paragraph (9), where a drug is ordered by a prescriber on a prescription form or repeatable prescription in a quantity that is, or is a multiple of a quantity that is, readily available in a pack size manufactured for a holder of a marketing authorisation for the drug, C must provide the drug in an original pack (or in original packs) of that size which has been assembled by a manufacturer of the drug for such a holder of a marketing authorisation, unless—

- (a) it is not possible for C to obtain such a pack (or packs) with reasonable promptness in the normal course of business; or
- (b) it is not practicable for C to provide such a pack (or packs) in response to the order (for example, because of patient needs or the method of administration of the drug).

(9) In the case of oral liquid methadone, C (in practice, a registered pharmacist) must decide whether it would be most appropriate to provide—

- (a) each dose in a separate container;
- (b) an original pack (or original packs); or
- (c) the oral liquid methadone in some other way,

and C must then provide it in packaging that accords with that decision.

(10) C must only provide a Scheduled drug in response to an order by name, formula or other description on a prescription form or repeatable prescription if—

- (a) it is ordered as specified in sub-paragraph (11); or
- (b) in the case of a drug specified in Schedule 2 to the Prescription of Drugs Regulations⁽¹¹⁾ (drugs, medicines and other substances that may be ordered only in certain circumstances), it is ordered in the circumstances prescribed in that Schedule.

(11) A Scheduled drug that is a drug with an appropriate non-proprietary name may be provided in response to an order on a prescription form or repeatable prescription for a drug (“the prescribed drug”) that is not a Scheduled drug but which has the same non-proprietary name as the Scheduled drug if—

- (a) the prescribed drug is ordered by that non-proprietary name or by its formula;
- (b) the prescribed drug has the same specification as the Scheduled drug (so the Scheduled drug may be dispensed generically); and
- (c) the Scheduled drug is not in a pack which consists of a drug in more than one strength, and providing it would involve the supply of part only of the pack.

(12) If a Scheduled drug is a combination of more than one drug, it can only be ordered as specified in sub-paragraph (11) if the combination has an appropriate non-proprietary name, whether or not the drugs in the combination each have such names.

(13) C must provide any drug which it is required to provide under paragraph 3 in a suitable container.

Refusal to provide drugs or appliances ordered

7.—(1) The LPS contractor (C) may refuse to provide the drugs or appliances ordered on a prescription form or repeatable prescription where—

(11) Schedule 2 has been amended by [S.I. 2004/3215](#), [2009/2230](#), [2010/2389](#) and [2011/680](#) and 1043.

- (a) C reasonably believes that it is not a genuine order for the person named on the prescription form or the repeatable prescription (for example because C reasonably believes it has been stolen or forged);
 - (b) it appears to C that—
 - (i) there is an error on the prescription form or on the repeatable prescription, or in the case of a non-electronic repeatable prescription, its associated batch issue (including a clinical error made by the prescriber), or
 - (ii) in the circumstances, providing the drugs or appliances would be contrary to the C's (in practice, a registered pharmacist's) clinical judgement;
 - (c) C or other persons on the premises are subjected to or threatened with violence by the person presenting the prescription form or repeatable prescription or requesting the provision of drugs or appliances in accordance with an electronic prescription form or a repeatable prescription, or by any person accompanying that person;
 - (d) the person presenting the prescription form or repeatable prescription or requesting the provision of drugs or appliances in accordance with an electronic prescription form or a repeatable prescription, or any person accompanying that person, commits or threatens to commit a criminal offence; or
 - (e) the prescription form or repeatable prescription is incomplete because it does not include the information relating to the identification of the prescriber that the NHSCB (or a person exercising its functions) requires in order to perform its functions relating to—
 - (i) the remuneration of persons providing local pharmaceutical services, and
 - (ii) any apportionment of, or any arrangements for recharging in respect of, that remuneration,unless C is to receive no pharmaceutical remuneration of any kind in respect of the drug or appliance.
- (2) C must refuse to provide a drug ordered on a prescription form or repeatable prescription where the order is for a prescription only medicine which the prescriber was not entitled to prescribe.
- (3) C must refuse to provide drugs or appliances ordered on a repeatable prescription where—
- (a) C has no record of that prescription;
 - (b) C does not, in the case of a non-electronic repeatable prescription, have any associated batch issue and it is not presented to C;
 - (c) it is not signed by a prescriber;
 - (d) to do so would not be in accordance with any intervals specified in the prescription;
 - (e) it would be the first time a drug or appliance had been provided pursuant to the prescription and the prescription was signed (whether electronically or otherwise) more than 6 months previously;
 - (f) the repeatable prescription was signed (whether electronically or otherwise) more than one year previously;
 - (g) the expiry date on the repeatable prescription has passed; or
 - (h) C has been informed by the prescriber that the prescription is no longer required.
- (4) Where a patient requests the supply of drugs or appliances ordered on a repeatable prescription (other than on the first occasion that he makes such a request), C must only provide the drugs or appliances ordered if C is satisfied—
- (a) that the patient to whom the prescription relates—

Status: This is the original version (as it was originally made).

- (i) is taking or using, and is likely to continue to take or use, the drug or appliance appropriately, and
- (ii) is not suffering from any side effects of the treatment which indicates the need or desirability of reviewing the patient's treatment;
- (b) that the medication regimen of the patient to whom the prescription relates has not altered in a way which indicates the need or desirability of reviewing the patient's treatment; and
- (c) that there have been no changes to the health of the patient to whom the prescription relates which indicate the need or desirability of reviewing the patient's treatment.

Further activities to be carried out in connection with the provision of dispensing services

8. In connection with the services provided under paragraphs 3 to 7, the LPS contractor (C) must—

- (a) ensure that appropriate advice is given to patients about any drugs or appliances provided to them—
 - (i) to enable them to utilise the drugs or appliances appropriately, and
 - (ii) to meet the patient's reasonable needs for general information about the drugs or appliances;
- (b) provide appropriate advice to patients to whom they provide drugs or appliances on—
 - (i) the safe keeping of the drugs or appliances, and
 - (ii) returning unwanted drugs or appliances to the scheme premises for safe destruction;
- (c) provide a patient with a written note of any drug or appliance which is owed, and inform the patient when it is expected that the drug or appliance will become available;
- (d) keep and maintain records—
 - (i) of drugs and appliances provided, in order to facilitate the continued care of the patient,
 - (ii) in appropriate cases, of advice given and any interventions or referrals made (including clinically significant interventions in cases involving repeatable prescriptions), and
 - (iii) of notes provided under sub-paragraph (c);
- (e) if C provides a drug or appliance under an electronic prescription, provide the patient, if the patient so requests, with a written record of the drugs or appliances ordered on that prescription and, in the case of an electronic repeatable prescription, of the number of occasions on which it can be dispensed; and
- (f) ensure that where a person is refused drugs or appliances pursuant to paragraph 7(1)(b), (2), (3) or (4), the patient is referred back to the prescriber for further advice.

Additional requirements in relation to electronic prescribing

9.—(1) The LPS contractor (C) must, if requested to do so by any person—

- (a) explain to that person the Electronic Prescription Service, whether or not it is a service which is available through C's scheme premises; and
- (b) where the Electronic Prescription Service is not available through C's scheme premises, provide that person with contact details of at least two pharmacies in the area through which the service is available, if these details are known to C.

(2) Where the Electronic Prescription Service is available through C's scheme premises, C must, if requested to do so by any person, enter in that person's PDS patient details—

- (a) where the person does not have a nominated dispensing contractor, the dispensing contractor chosen by the person; or
- (b) where the person does have a nominated dispensing contractor—
 - (i) a replacement dispensing contractor, or
 - (ii) a further dispensing contractor,chosen by that person.

(3) Sub-paragraph (2)(b)(ii) does not apply if the number of nominated dispensing contractors for that person would thereby exceed the maximum number permitted by the Electronic Prescription Service.

(4) If C is a nominated dispensing contractor for a person (X) but the nomination was made before C became the person specified in an LPS scheme in relation to the scheme premises nominated in X's PDS patient details, C must within 6 months of C becoming the person so specified—

- (a) explain to X that the ownership of the scheme premises has changed; and
- (b) ask X whether X wishes to maintain the nomination in respect of those scheme premises.

Further activities in connection with repeat dispensing

10. In connection with the services provided under paragraphs 3 to 7, the LPS contractor (C) must—

- (a) provide appropriate advice to patients to whom C provides drugs or appliances in accordance with a repeatable prescription, in particular on the importance of only requesting those items which they actually need;
- (b) undertake appropriate training in respect of repeat dispensing, having regard to any recommendations in respect of such training set out in the Drug Tariff;
- (c) if C takes possession of a non-electronic repeatable prescription or an associated batch issue, securely store that repeatable prescription or associated batch issue;
- (d) maintain records of repeatable prescriptions in such a form as to provide a clear audit trail of supplies under the repeatable prescription (including dates and quantities supplied);
- (e) destroy any surplus batch issues relating to drugs or appliances—
 - (i) which are not required, or
 - (ii) where a patient is refused the drugs or appliances pursuant to paragraph 7;
- (f) where a patient is provided with drugs or appliances under a repeatable prescription, notify the prescriber of any clinically significant issues arising in connection with the prescription and keep a record of that notification; and
- (g) notify the prescriber of any refusal to provide drugs or appliances pursuant to paragraph 7(4).

Information to be provided for the NHSCB's lists

11.—(1) The LPS contractor (C) must ensure that C provides to the NHSCB, on request, an up to date record of—

- (a) the services that C provides; and
- (b) the days on which and times at which those services are provided.

Status: This is the original version (as it was originally made).

(2) Sub-paragraph (1) is without prejudice to the need for a variation of the LPS scheme if C wishes to change—

- (a) the services that C provides; and
- (b) the days on which and times at which those services are provided.

Clinical governance

12.—(1) The LPS contractor must participate, in the manner reasonably required by the NHSCB in an acceptable system of clinical governance.

Remuneration, overpayments etc

19.—(1) The NHSCB must ensure that the LPS scheme requires it to remunerate the LPS contractor (C) promptly, in accordance with the remuneration arrangements provided for in the scheme, but subject to the arrangements for reductions of and deductions from payments provided for in the scheme.

(2) The NHSCB must ensure that the LPS scheme requires that payment of any item of remuneration which would, if it were payable to an NHS pharmacist in connection with providing pharmaceutical services, be pharmaceutical reimbursement, is to be paid in accordance with the Drug Tariff.

(3) For these purposes, “pharmaceutical reimbursement” means pharmaceutical remuneration of the type which may be payable to NHS chemists in accordance with determinations by (only) the Secretary of State under section 164 of the 2006 Act⁽¹⁷⁾ (remuneration for persons providing pharmaceutical services).

(4) Where an LPS scheme requires a fee, allowance or other item of remuneration to be made in accordance with the Drug Tariff and the Drug Tariff provides that the fee, allowance or other item of remuneration is to be determined by the NHSCB, that fee, allowance or other item of remuneration must be determined by the NHSCB.

 - (b) provides that any such recovery of an overpayment is without prejudice to any investigation of any alleged breach of the scheme; and
 - (c) provides that the remuneration arrangements under the scheme, referred to in sub-paragraphs (1) to (4), are subject to any right the NHSCB may have to set off against any amount payable to C, any amount—
 - (i) owed by C to it, or
 - (ii) which it is entitled to withhold under the terms of the scheme (including terms of the Drug Tariff applied by the scheme).

Local resolution of disputes

20. In the case of any dispute arising out of, or in connection with, the LPS scheme, the LPS contractor and the NHSCB must make every reasonable effort to communicate and co-operate with each other with a view to resolving the dispute, before referring the dispute for determination in accordance with the NHS dispute resolution procedure (or, where applicable, before commencing court proceedings).

Dispute resolution: non-NHS contracts

- 21.**—(1) In the case of an LPS scheme which is not an NHS contract, any dispute arising out of or in connection with the scheme, except matters dealt with under the complaints procedure pursuant to paragraph 25, may be referred for consideration and determination to the Secretary of State, if—
- (a) the NHSCB so wishes and the contractor has agreed in writing; or
 - (b) the contractor so wishes (even if the NHSCB does not agree).
- (2) In the case of a dispute referred to the Secretary of State under sub-paragraph (1)—
- (a) the procedure to be followed is the NHS dispute resolution procedure; and
 - (b) the parties must agree to be bound by any determination made by the adjudicator.

NHS dispute resolution procedure

- 22.**—(1) The procedure specified in this paragraph and paragraph 23 applies in the case of any dispute arising out of or in connection with an LPS scheme which is referred to the Secretary of State—
- (a) in accordance with section 9(6) of the 2006 Act (NHS contracts), where the scheme is an NHS contract; or
 - (b) in accordance with paragraph 21(1), where the scheme is not an NHS contract.
- (2) Any party wishing to refer a dispute as mentioned in sub-paragraph (1) must send to the Secretary of State a written request for dispute resolution which must include or be accompanied by—
- (a) the names and addresses of the parties to the dispute;
 - (b) a copy of the LPS scheme; and
 - (c) a brief statement describing the nature and circumstances of the dispute.
- (3) Any party wishing to refer a dispute as mentioned in sub-paragraph (1) must send the request under sub-paragraph (2) within a period of 3 years beginning with the date on which the matter giving rise to the dispute happened or should reasonably have come to the attention of the party wishing to refer the dispute.

Status: This is the original version (as it was originally made).

(4) Where the dispute relates to an LPS scheme which is not an NHS contract, the Secretary of State may determine the matter himself or, if the Secretary of State considers it appropriate, appoint a person or persons to consider and determine it.

(5) Before reaching a decision as to who should determine the dispute, either under sub-paragraph (4) or under section 9(8) of the 2006 Act, the Secretary of State must, within the period of 7 days beginning with the date on which a matter was referred to the Secretary of State, send a written request to the parties to make in writing, within a specified period, any representations which they may wish to make about the matter.

(6) The Secretary of State must give, with the notice given under sub-paragraph (5) to the party other than the one which referred the matter to dispute resolution a copy of any document by which the matter was referred to dispute resolution.

(7) The Secretary of State must give a copy of any representations received from a party to the other party and must in each case request (in writing) a party to whom a copy of the representations is given to make within a specified period any written observations which it wishes to make on those representations.

(8) Following receipt of any representations from the parties or, if earlier, at the end of the period for making such representations specified in the request sent under sub-paragraph (5) or (7), the Secretary of State must, if the Secretary of State decides to appoint a person or persons to hear the dispute—

- (a) inform the parties in writing of the name of the person or persons whom the Secretary of State has appointed; and
- (b) pass to the person or persons so appointed any documents received from the parties pursuant to sub-paragraph (2), (5) or (7).

(9) For the purpose of assisting them in their consideration of the matter, the adjudicator may—

- (a) invite representatives of the parties to appear before the adjudicator to make oral representations either together or, with the agreement of the parties, separately, and may in advance provide the parties with a list of matters or questions to which the adjudicator wishes them to give special consideration; or
- (b) consult other persons whose expertise the adjudicator considers will assist the adjudicator's consideration of the matter.

(10) Where the adjudicator consults another person under sub-paragraph (9)(b), the adjudicator must notify the parties accordingly and, where the adjudicator considers that the interests of any party might be substantially affected by the result of the consultation, the adjudicator must give to the parties such opportunity as the adjudicator considers reasonable in the circumstances to make observations on those results.

(11) In considering the matter, the adjudicator must consider—

- (a) any written representations made in response to a request under sub-paragraph (5), but only if they are made within the specified period;
- (b) any written observations made in response to a request under sub-paragraph (7), but only if they are made within a specified period;
- (c) any oral representations made in response to an invitation under sub-paragraph (9)(a);
- (d) the results of any consultation under sub-paragraph (9)(b); and
- (e) any observations made in accordance with an opportunity given under sub-paragraph (10).

(12) In this paragraph, “specified period” means such period as the Secretary of State must specify in the request, being not less than 2, nor more than 4 weeks beginning with the date on which the notice referred to is given, but the Secretary of State may, if the Secretary of State considers that there is good reason for doing so, extend any such period (even after it has expired) and, where the

Secretary of State does so, a reference in this paragraph to the specified period is to the period as so extended.

(13) Subject to the other provisions of this paragraph and paragraph 23, the adjudicator is to have wide discretion in determining the procedure of the dispute resolution to ensure the just, expeditious, economical and final determination of the dispute.

Determination of dispute

23.—(1) The adjudicator must record the adjudicator’s determination, and the reasons for it, in writing and must give notice of the determination (including a record of the reasons) to the parties.

(2) In the case of a scheme referred for determination in accordance with paragraph 21(1), section 9(11) of the 2006 Act must apply as that subsection applies in the case of an LPS scheme referred for determination in accordance with section 9(6) of that Act.

Disputes: supplemental

24.—(1) In this Schedule, where reference is made to any dispute arising out of, or in connection with, an LPS scheme, that includes any dispute arising out of, or in connection with, the termination of the scheme.

(2) Any term of the LPS scheme that makes provision in respect of the requirements in paragraphs 20 to 23 must survive even where the scheme has terminated.

Complaints

25.—(1) The LPS contractor must have in place arrangements which comply with the requirements of the Local Authority Social Services and National Health Service Complaints (England) Regulations 2009(18), for the handling and consideration of any complaints.

(2) In this paragraph, “complaint” means a complaint about a matter connected with the provision of local pharmaceutical services by the LPS contractor.

Variation of LPS schemes

26.—(1) Subject to sub-paragraphs (2) to (4), no amendment or variation to the LPS scheme is to have effect unless it is in writing and signed by or on behalf of the NHSCB and the (relevant) LPS contractor (C).

(2) The NHSCB may vary an LPS scheme without C’s consent where it—

- (a) is reasonably satisfied that it is necessary to vary the scheme so as to comply with the 2006 Act, any regulations made under that Act, or any direction given by the Secretary of State under that Act; and
- (b) notifies C in writing of the wording of the proposed variation and the date upon which that variation is to take effect,

and, where it is reasonably practicable to do so, the date that the proposed variation is to take effect must be not less than 14 days after the date on which the notice under paragraph (b) is served on C.

(3) During an emergency requiring the flexible provision of pharmaceutical services, the NHSCB may, on application from C—

- (a) permit C a temporary change to the days on which or times at which C is obliged to provide local pharmaceutical services at the scheme premises, or permit temporary closure of those premises, if—

(18) [S.I. 2009/309](#); amended by [S.I. 2009/1768](#).

Status: This is the original version (as it was originally made).

- (i) C gives at least 24 hours notice of the change or closure, and
 - (ii) the reasons given by C for the request are, in the opinion of the NHSCB adequate reasons; or
- (b) permit C any other temporary variation to C's LPS scheme that, in the opinion of the NHSCB, will facilitate continuity of the provision of services of a kind that may be provided under section 126, or by virtue of section 127, of the 2006 Act⁽¹⁹⁾ (arrangements for pharmaceutical services and additional pharmaceutical services) during the emergency.
- (4) The NHSCB need not approve the request referred to in sub-paragraph (3)(a)(ii) in advance of the change or closure, but if it does not do so and decides subsequently that C's reasons are not, in its opinion, adequate reasons, then the days on which or times at which C is obliged to provide local pharmaceutical services at the scheme premises are to revert to the overridden days and times, from the day after the date on which that decision is given to C.

Termination by agreement

27. The NHSCB and the LPS contractor may agree in writing to terminate the LPS scheme (or end the LPS contractor's participation in it, in the case of more than one LPS contractor being party to the scheme), and if the parties so agree, they must agree the date upon which that termination should take effect and any further terms upon which the scheme should be terminated.

Termination by serving notice

28.—(1) Either the LPS contractor or the NHSCB may terminate the LPS scheme (or end the LPS contractor's participation in it, in the case of more than one LPS contractor being party to the scheme), at any time by serving notice of not less than 6 months in writing to the other party.

(2) Where a notice is served pursuant to sub-paragraph (1), the LPS scheme must terminate on the expiry of the notice period.

(3) This paragraph is without prejudice to any other rights to terminate the agreement which the LPS contractor and the NHSCB may have.

Termination of arrangements by the NHSCB on grounds of suitability etc

29.—(1) The NHSCB may serve notice in writing on the LPS contractor terminating the LPS scheme (or ending the LPS contractor's participation in it, in the case of more than one LPS contractor being party to the scheme) with immediate effect, or from such date as may be specified in the notice, if, in the case of an LPS scheme (or an agreement that is part of an LPS scheme) entered into—

Termination by the NHSCB: patient safety and material financial loss

Termination and the NHS dispute resolution procedure

- (a) there has been a determination of the dispute pursuant to paragraph 23 and that determination permits the NHSCB to terminate the scheme; or

whichever is the sooner.

(5) If the NHSCB is satisfied that it is necessary to terminate the scheme before the NHS dispute resolution procedure is concluded in order to—
