## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the retained EU law version of [Commission Regulation \(EC\) No 865/2006](#) laying down detailed rules concerning the implementation of Council Regulation (EC) No 338/97 on the protection of species of wild fauna and flora by regulating trade therein.

The retained EU law version of Article 12(4) of Council Regulation (EC) No 338/97 on the protection of species of wild fauna and flora by regulating trade therein provides for the management authority to authorise the introduction, export or re-export of specimens of endangered species through a customs office which has not been designated under Article 12(1). The authorisation must be in accordance with criteria set out by the Secretary of State in regulations.

Regulation 2 inserts a provision into the retained EU law version of [Commission Regulation \(EC\) No 865/2006](#), setting out these criteria. It also inserts a provision so that a reference to a designated customs office is treated as a reference to the non-designated customs office which is the subject of the authorisation under Article 12(4).
