PUBLIC HEALTH, ENGLAND

**The Health Protection (Coronavirus, Wearing of
Face Coverings in a Relevant Place) (England)
(Amendment) (No. 2) Regulations 2020**

Approved by both Houses of Parliament

<i>Made</i>	- - - -	<i>20th August 2020</i>
<i>Laid before Parliament</i>		<i>21st August 2020</i>
<i>Coming into force</i>	- -	<i>22nd August 2020</i>

The Secretary of State makes these Regulations in exercise of the powers conferred by sections 45C(1), (3)(c) and (4)(d), 45F(2) and 45P(2) of the Public Health (Control of Disease) Act 1984⁽¹⁾. These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in England.

The Secretary of State considers that the requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to the threat.

In accordance with section 45R of that Act the Secretary of State is of the opinion that, by reason of urgency, it is necessary to make this instrument without a draft having been laid before, and approved by a resolution of, each House of Parliament.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Coronavirus, Wearing of Face Coverings in a Relevant Place) (England) Regulations 2020 to add further places which are a “relevant place” where members of the public are required to wear face coverings. These Regulations also remove some existing exemptions from the definition of “shop” such that premises that were exempt are now included in the definition of relevant place. This has the effect of requiring members of the public, except in some limited cases, to wear face coverings in a wider range of places than previously provided for in England to protect against the risks to public health arising from coronavirus. These Regulations provide for some further classes of people who do not have to wear face coverings in relevant places in certain contexts. These Regulations also consolidate some definitions.

No regulatory impact assessment has been prepared for these Regulations.
