Establishing the hearing or inquiry

12.—(1) The appointed person must set a date for the hearing or inquiry (“the relevant date”).

(2) The appointed person must, at least 6 weeks before the relevant date, give notice of the relevant date to the appellant, the Licensing Authority and any person who has made representations concerning the appeal.

(3) The Licensing Authority must, at least 3 weeks before the relevant date, publish notice of the hearing or inquiry in such manner as the Licensing Authority thinks will be most effective to bring it to the attention of any persons likely to be interested in it.

(4) If the relevant date is changed the procedure in paragraphs (2) and (3) must be repeated.

Pre-inquiry meeting

13.—(1) Where the appeal is to be determined by way of inquiry, the appointed person may hold a pre-inquiry meeting to determine the matters to be addressed and the procedure to be followed at the inquiry.

(2) The appointed person must give at least 4 weeks' notice of such a meeting to—

- (a) the appellant and the Licensing Authority;
- (b) any person known at the date of the notice to be entitled to appear at the inquiry; and
- (c) any other person whose presence the appointed person considers desirable.

(3) At the meeting, the appointed person may give directions to the appellant, the Licensing Authority and any other person wishing to appear at the inquiry about things to be done in preparation for the inquiry and the date by which they must be done.

(4) A person to whom a direction is given under paragraph (3) must comply with it.

Statement of agreed facts — inquiries

14.—(1) The appellant and the Licensing Authority must together prepare a statement containing such factual information about the subject matter of the appeal as they are able to agree.

(2) The Licensing Authority must ensure that the appointed person receives that statement at least 4 weeks before the inquiry date.

Proofs of evidence — inquiries

15.—(1) This regulation applies where a person entitled to appear at an inquiry intends to give, or to call a witness to give, evidence at the inquiry.

(2) The person must, at least 4 weeks before the inquiry date or such other time as the appointed person directs, send a proof of the evidence intended to be given together with any written summary required to the appointed person.

(3) The appointed person must, as soon as practicable after receiving a proof of evidence, send a copy of it to the appellant, the Licensing Authority and any other person who has sent a proof to the appointed person.

(4) A written summary is required if the proof of evidence in question exceeds 1500 words.

(5) Where a written summary is provided, only that summary may be read at the inquiry, unless the appointed person directs otherwise.

(6) Where a person gives evidence at an inquiry by reading a summary of a proof of evidence—

- (a) the proof of evidence is treated as tendered in evidence, unless the person required to provide the summary notifies the appointed person that the person now wishes to rely on the contents of that summary alone; and
 - (b) the person whose evidence the proof of evidence contains may be subject to cross-examination on it to the same extent as if it were evidence given orally.
- (7) The appointed person may allow any person to alter or add to that person's proof of evidence or summary so far as may be necessary for the purposes of the inquiry.
- (8) But if this is done, the appointed person must (if necessary by adjourning the inquiry) give every other person appearing at the inquiry an adequate opportunity of considering any fresh matter or document.
- (9) This regulation is subject to regulation 17.

Procedure

- 16.**—(1) Except as otherwise provided in these Regulations, the appointed person may determine the procedure to be followed at a hearing or inquiry.

 - (5) The appointed person may permit any other person to appear, and such permission must not be unreasonably withheld.
 - (6) Any person entitled or permitted to appear may appear in person or be represented by any other person.
 - (7) A person entitled to appear may call evidence, but the calling of evidence is otherwise at the appointed person's discretion.
 - (8) Cross-examination is not permitted at a hearing unless the appointed person considers that it is required to ensure a thorough examination of the main issues.
 - (9) If the appointed person considers that cross-examination is required, the appointed person must consider, after consulting the appellant and the Licensing Authority, whether to close the hearing and start an inquiry instead.
 - (10) A person entitled to appear at an inquiry may cross-examine persons giving evidence, but the cross-examination of persons giving evidence at an inquiry is otherwise at the appointed person's discretion.
 - (11) The appointed person may take into account any written representation, evidence or any other document received from any person before or during a hearing or inquiry, provided that the appointed person discloses it at the hearing or inquiry.
 - (12) If the appointed person so decides, a hearing or an inquiry may be held wholly or partly in private.
 - (13) This regulation is subject to regulation 17.

- (a) require that person to leave;
 - (b) prevent that person from participating in the hearing or inquiry; or
 - (c) permit that person to remain at, or participate in, the hearing or inquiry only on specified conditions.
- (4) Where the appointed person refuses to permit a person to give oral evidence under paragraph (3), the person may submit to the appointed person any evidence or other matter in writing before the close of the hearing or inquiry (but this is subject to paragraph (1)).
