The Secretary of State and the Welsh Ministers<sup>(2)</sup> have consulted in accordance with the requirements set out in section 105C(2)(3) of that Act.

A draft of these Regulations has been approved by a resolution of each House of Parliament and by the National Assembly for Wales<sup>(4)</sup> in accordance with section 105A(8) of that Act.

Accordingly, the Secretary of State, in relation to any sewerage undertaker whose area is wholly or mainly in England, and the Welsh Ministers, in relation to any sewerage undertaker whose area is wholly or mainly in Wales, make the following Regulations.

The functions of the Secretary of State under section 213(2)(f) of the Water Industry Act 1991 were made exercisable by the National Assembly for Wales to the same extent as the powers, duties and other provisions to which that section applies were exercisable by that Assembly by virtue of article 2 of, and Schedule 1 to, the Order. The functions conferred on the National Assembly for Wales were subsequently transferred to the Welsh Ministers by section 162 of, and paragraph 30 of Schedule 11 to, the Government of Wales Act 2006 (c. 32).
- (2) Functions of the Secretary of State under section 105C of the Water Industry Act 1991 were transferred to the National Assembly for Wales by article 2 of, and Schedule 1 to, the Order (as amended by section 100(2)(b)(vii) of the Water Act 2003). The functions conferred on the National Assembly for Wales were subsequently transferred to the Welsh Ministers by section 162 of, and paragraph 30 of Schedule 11 to, the Government of Wales Act 2006. Consultation undertaken by the National Assembly for Wales has effect as if carried out by the Welsh Ministers, by virtue of section 162 of, and paragraph 39(3) of Schedule 11 to, the Government of Wales Act 2006.
- (3) Section 105C was inserted by the Water Act 2003, section 98.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations provide for the Secretary of State and the Welsh Ministers to make schemes for the adoption by sewerage undertakers in England and Wales of private sewers and private lateral drains under section 102 of the Water Industry Act 1991 (“the Act”).

Regulation 3 makes provision in relation to main schemes (which relate to the adoption of private sewers and lateral drains which communicate with a public sewer immediately before 1st July 2011). Regulation 4 makes provision in relation to supplementary schemes (which relate to the adoption of private sewers and lateral drains which communicate with a public sewer immediately before the date of commencement of section 42(1) of the Flood and Water Management Act 2010). Regulation 5 describes sewers and lateral drains which are exempt from adoption under a scheme.

A declaration under section 102 of the Act must specify that adoptable private sewers and lateral drains will vest in an undertaker on 1st October 2011 (pursuant to a main scheme) or 6 months after the date of commencement of section 42(1) of the Flood and Water Management Act 2010 (pursuant to a supplementary scheme), or, in the case of a pumping station which forms part of a private sewer or lateral drain, no later than 1st October 2016 (regulations 3 and 4).

Regulations 7, 8 and 9 make provision in relation to private sewers and lateral drains which are the subject of existing adoption declarations or agreements under section 102 or 104 of the Act (or proposals for such declarations or agreements).

These Regulations cease to have effect on 30th June 2018.
