

COMMISSION DECISION

of 16 July 1985

amending for the fifth time Decision 84/10/EEC concerning certain protective measures against classical swine fever as regards fresh pigmeat

(85/393/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 72/461/EEC of 12 December 1972 on health problems affecting intra-Community trade in fresh meat ⁽¹⁾, as last amended by Directive 85/322/EEC ⁽²⁾, and in particular Article 8 thereof,

Whereas, following the outbreak of classical swine fever which occurred successively in certain areas of the Community, on 10 January 1984 the Council adopted Decision 84/10/EEC concerning protective measures against classical swine fever as regards fresh pigmeat ⁽³⁾;

Whereas, since then the development of the disease has required several alterations to the extent of the area in which the measures are applied in intra-Community trade in fresh meat;

Whereas the extent of the area in which the measures are applied should be altered to take account of the development of the disease in Germany;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

Commission Decision 84/10/EEC is hereby amended as follows:

1. The wording specified in Article 2 is replaced by the following:
'Meat conforming to Commission Decision of 16 July 1985'.
2. The Annex is replaced by the Annex to this Decision.

Article 2

The Member States shall amend the measures they apply to trade so that they comply with this Decision. They shall immediately inform the Commission thereof.

Article 3

This Decision is addressed to the Member States.

Done at Brussels, 16 July 1985.

For the Commission

Frans ANDRIESEN

Vice-President
