COMMISSION

COMMISSION DECISION

of 19 December 1990

renewing Decision 85/594/EEC authorizing the Hellenic Republic to take certain protective measures under Article 108 (3) of the EEC Treaty

(Only the Greek text is authentic)

(90/663/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 108 (3) thereof,

Whereas, by Decision 85/594/EEC⁽¹⁾, the Commission on a temporary basis authorized the Hellenic Republic to take certain protective measures in support of a programme of economic stabilization implemented by the Greek Government from the end of 1985 in order to deal with serious balance of payments difficulties and to restore an acceptable situation;

Whereas since then, and in line with the improvement in the external equilibrium of Greece, several of these protective measures have been revoked or amended in accordance with the provisions of Decision 85/594/EEC; whereas this Decision was amended by Commission Decisions 86/614/EEC⁽²⁾, 87/152/EEC⁽³⁾, 88/438/EEC⁽⁴⁾, 88/600/EEC⁽⁵⁾, 89/644/EEC⁽⁶⁾ and lastly renewed and amended by Decision 90/348/EEC⁽⁷⁾;

Whereas the Hellenic Republic has claimed that although the deterioration of the economic situation has been contained balance of payments problems persist; whereas it has adopted a stabilization and economic recovery

programme aiming at the reduction of macroeconomic imbalances; whereas it has requested an extension of certain protective measures in respect of the movement of capital and transfers relating to tourist expenditure of Greek residents abroad, in accordance with the provisions of Article 9 (5) of Decision 85/594/EEC; whereas, nevertheless, the Greek authorities have relaxed the restrictions originally authorized in this area; whereas they intend to remove the remaining protective measures as soon as the situation in the balance of payments improves;

Whereas it emerges from the examination of the overall economic situation of Greece undertaken by the Commission that the external position of Greece deteriorated in 1990; whereas this deterioration is expected to be more pronounced during the first months of 1991; whereas the authorities are implementing a stabilization and economic recovery programme in order to reduce the internal and external imbalances; whereas until the situation in the balance of payments is redressed the retention of certain protective measures in this area is justified;

Whereas there are grounds, in particular on account of the expected pressure on balance of payments, for renewing without modifications the authorization to apply these protective measures; whereas, however, the evolution of the economic situation in Greece should be monitored attentively so that the measures authorized may possibly be amended or repealed if the conditions justifying them were no longer to obtain;

Whereas, for the sake of transparency it is appropriate to present in a single text the complete enacting terms of Decision 85/594/EEC as last amended by this Decision,
