

Council Decision of 26 April 1999 establishing the second phase of the Community vocational training action programme 'Leonardo da Vinci' (1999/382/EC)

Article 3

Community measures

1 The objectives of this programme shall be pursued by means of the following measures, the operational content and application procedures thereof which are described in the Annexes and which may be combined:

- a support for the transnational mobility of people undergoing vocational training, especially young people, and for those responsible for training ('Mobility');
- b support for pilot projects based on transnational partnerships designed to develop innovation and quality in vocational training ('pilot projects');
- c promotion of language competences, including for less widely used and taught languages, and understanding of different cultures in the context of vocational training ('language competences');
- d support for the development of transnational cooperation networks facilitating the exchange of experience and good practice ('transnational networks');
- e the development and updating of reference material through support for surveys and analyses, the establishment and updating of comparable data, the observation and dissemination of good practices and the comprehensive exchange of information ('reference material').

2 In carrying out the measures referred to in paragraph 1, specific support for transnational actions shall be available for the promotion and use of information and communication technologies (ICT) in vocational training.

Changes to legislation:

There are currently no known outstanding effects for the Council Decision of 26 April 1999 establishing the second phase of the Community vocational training action programme 'Leonardo da Vinci' (1999/382/EC), Article 3.
