CHAPTER I

OBJECTIVES

Article 1

Objectives

1. The objectives of the Sixth International Cocoa Agreement are:

- (a) to promote international cooperation in the world cocoa economy;
- (b) to provide an appropriate framework for the discussion of all matters relating to all sectors thereof;
- (c) to contribute to the strengthening of the national cocoa economies of member countries, in particular through the preparation of appropriate projects to be submitted to the relevant institutions for financing and implementation;
- (d) to contribute to a balanced development of the world cocoa economy in the interest of all members through appropriate measures, including:
 - (i) promoting a sustainable cocoa economy;
 - (ii) promoting research and the implementation of its findings;
 - (iii) promoting transparency in the world cocoa economy through the collection, analysis and dissemination of relevant statistics and undertaking of appropriate studies; and
 - (iv) promoting and encouraging consumption of chocolate and cocoa-based products in order to increase demand for cocoa in close cooperation with the private sector.

2. In pursuing these objectives, members shall, within the appropriate framework, encourage the greater participation of the private sector in the work of the Organisation.

CONSTITUTIONAL PROVISIONS

CHAPTER III

MEMBERSHIP

Article 3

Membership in the Organisation

1. Each Contracting Party shall be a member of the organisation.
2. There shall be two categories of members of the organisation, namely:
 - (a) exporting members; and
 - (b) importing members.
3. A member may change its category on such conditions as the Council may establish.

Article 4

Membership by intergovernmental organisations

1. Any reference in this Agreement to 'a Government' or 'Governments' shall be construed as including the European Union and any intergovernmental organisation having responsibilities in respect of the negotiation, conclusion and application of international agreements, in particular

commodity agreements. Accordingly, any reference in this Agreement to signature, ratification, acceptance or approval, or to notification of provisional application or to accession shall, in the case of such intergovernmental organisations, be construed as including a reference to signature, ratification, acceptance or approval, or to notification of provisional application, or to accession, by such intergovernmental organisations.

2. In the case of voting on matters within their competence, such intergovernmental organisations shall vote with a number of votes equal to the total number of votes attributable to their member States in accordance with Article 10. In such cases, the member States of such intergovernmental organisations shall not exercise their individual voting rights.

3. Such organisations may participate in the Executive Committee on matters within their competence.

CHAPTER IV

ORGANISATION AND ADMINISTRATION

Article 5

Establishment, headquarters and structure of the International Cocoa Organisation

1. The International Cocoa Organisation established by the International Cocoa Agreement, 1972, shall continue in being and shall administer the provisions and supervise the operation of this Agreement.

2. The Organisation shall function through:
- (a) the International Cocoa Council and its subsidiary bodies; and
 - (b) the Executive Director and other staff.
3. The headquarters of the Organisation shall be in London unless the Council, by special vote, decides otherwise.

Article 6

Composition of the International Cocoa Council

1. The highest authority of the Organisation shall be the International Cocoa Council, which shall consist of all the members of the organisation.
2. Each member shall be represented on the Council by a representative and, if it so desires, by one or more alternates. Each member may also appoint one or more advisers to its representative or alternates.

Article 7

Powers and functions of the Council

1. The Council shall exercise all such powers and perform or arrange for the performance of all such functions as are necessary to carry out the express provisions of this Agreement.
2. The Council shall not have power, and shall not be taken to have been authorised by the members, to incur any obligation outside the scope of this Agreement; in particular, it shall not have the capacity to borrow money. In exercising its capacity to contract, the Council shall incorporate in its contracts the terms of this provision and of Article 24 in such a way as to bring them to the notice of the other parties entering into contracts with the Council, but any failure to incorporate such terms shall not invalidate such a contract or render it *ultra vires* the Council.
3. The Council may at any time, by special vote, delegate any of its powers to the Executive Committee, except the following:
 - (a) redistribution of votes under Article 10;
 - (b) approval of the administrative budget and assessment of contributions under Article 25;
 - (c) revision of the list of producers of fine or flavour cocoa under Article 46;
 - (d) relief from obligations under Article 47;

- (e) decision of disputes under Article 50;
- (f) suspension of rights under paragraph 3 of Article 51;

- (i) extension or termination of this Agreement under Article 63; and
- (j) recommendation of amendments to members under Article 64.

4. The Council may, by special vote, decide on other exceptions in paragraph 3 above. It may revoke any delegation of power under paragraph 3 above by the same vote.

5. The Council shall, by special vote, adopt such rules and regulations as are necessary to carry out the provisions of this Agreement and are consistent therewith, including its rules of procedure and those of its committees, and the financial and staff regulations of the Organisation. The Council may, in its rules of procedure, provide for a procedure whereby it may, without meeting, decide specific questions.

6. The Council shall keep such records as are required for the performance of its functions under this Agreement, and such other records as it considers appropriate.

7. The Council may set up any working group(s) as appropriate to assist it in carrying out its task.

Article 8

Chairman and Vice-Chairman of the Council

1. The Council shall elect a Chairman and a first and second Vice-Chairman for each cocoa year, who shall not be paid by the Organisation.
2. Both the Chairman and the first Vice-Chairman shall be elected from among the representatives of the exporting members or from among the representatives of the importing members and the second Vice-Chairman from among the representatives of the other category. These offices shall alternate each cocoa year between the two categories.
3. In the temporary absence of both the Chairman and the two Vice-Chairmen or the permanent absence of one or more of them, the Council may elect new officers from among the representatives of the exporting members or from among the representatives of the importing members, as appropriate, on a temporary or permanent basis as may be required.

4. Neither the Chairman nor any other officer presiding at meetings of the council shall vote. His or her alternate may exercise the voting rights of the member which he or she represents.

Article 9

Sessions of the Council

1. As a general rule, the Council shall hold one regular session in each half of the cocoa year.

2. The Council shall meet in special sessions whenever it so decides or at the request of:

- (a) Any five members;
- (b) A member or members having at least 200 votes;
- (c) The Executive Committee; or
- (d) The Executive Director, for the purposes of Articles 23 and 60.

3. Notice of sessions shall be given at least 30 calendar days in advance, except in case of emergency.

4. Sessions shall be held at the headquarters of the Organisation unless the Council, by special vote, decides otherwise. If, on the invitation of any member, the Council meets elsewhere than at the headquarters of the Organisation, that member shall pay the additional costs involved.

Article 10

Votes

1. The exporting members shall together hold 1 000 votes and the importing members shall together hold 1 000 votes, distributed within each category of members — that is, exporting and importing members, respectively — in accordance with the following paragraphs of this Article.

2. For each cocoa year, the votes of exporting members shall be distributed as follows: each exporting member shall have five basic votes. The remaining votes shall be divided among all the exporting members in proportion to the average volume of their respective exports of cocoa in the preceding three cocoa years for which data have been published by the Organisation in its latest issue of the *Quarterly Bulletin of Cocoa Statistics*. For this purpose, exports shall be calculated as net exports of cocoa beans plus net exports of cocoa products, converted to beans equivalent using the conversion factors as specified in Article 41.

3. For each cocoa year, the votes of importing members shall be distributed as follows: 100 shall be divided equally to the nearest whole vote for each member. The remaining votes shall be distributed on the basis of the percentage which the average of each importing member's annual imports, in the preceding three cocoa years for which final figures are available in the organisation, represents in the total of the averages for all the importing members. For this purpose, imports shall be calculated as net imports of cocoa beans plus gross imports of cocoa products, converted to beans equivalent using the conversion factors as specified in Article 41.

4. If, for any reason, difficulties should arise in the determination or the updating of the statistical basis for the calculation of votes in accordance with the provisions of paragraphs 2 and 3 of this Article, the Council may, by special vote, decide on a different statistical basis for the calculation of votes.

5. No member shall have more than 400 votes. Any votes above this figure arising from the calculations in paragraphs 2, 3 and 4 of this Article shall be redistributed among the other members on the basis of those paragraphs.

6. When the membership in the Organisation changes or when the voting rights of a member are suspended or restored under any provision of this Agreement, the Council shall provide for the redistribution of votes in accordance with this Article.

7. There shall be no fractional votes.

Article 11

Voting procedure of the Council

1. Each member shall be entitled to cast the number of votes it holds and no member shall be entitled to divide its votes. A member may, however, cast differently from such votes any votes which it is authorised to cast under paragraph 2 of this Article.

2. By written notification to the Chairman of the Council, any exporting member may authorise any other exporting member, and any importing member may authorise any other importing member, to represent its interests and to cast its votes at any meeting of the Council. In this case the limitation provided for in paragraph 5 of Article 10 shall not apply.

3. A member authorised by another member to cast the votes held by the authorising member under Article 10 shall cast such votes in accordance with the instructions of the authorising member.

*Article 12***Decisions of the Council**

1. All decisions of the Council shall be taken, and all recommendations shall be made, by a simple distributed majority vote unless this Agreement provides for a special vote.
2. In arriving at the number of votes necessary for any of the decisions or recommendations of the Council, votes of members abstaining shall not be taken into consideration.
3. The following procedure shall apply with respect to any action by the Council which under this Agreement requires a special vote:
 - (a) if the required majority is not obtained because of the negative vote of three or less exporting or three or less importing members, the proposal shall, if the Council so decides by a simple distributed majority vote, be put to a vote again within 48 hours;
 - (b) if the required majority is again not obtained because of the negative vote of two or less exporting or two or less importing members, the proposal shall, if the Council so decides by a simple distributed majority vote, be put to a vote again within 24 hours;
 - (c) if the required majority is not obtained in the third vote because of the negative vote cast by one exporting or one importing member, the proposal shall be considered adopted; or
 - (d) if the Council fails to put a proposal to a further vote, it shall be considered rejected.
4. Members undertake to accept as binding all decisions of the Council under the provisions of this Agreement.

*Article 13***Cooperation with other organisations**

1. The council shall make whatever arrangements are appropriate for consultation or cooperation with the United Nations and its organs, in particular the United Nations Conference on Trade and Development, and with the Food and Agriculture Organisation of the United Nations and such other specialised agencies of the United Nations and intergovernmental organisations as may be appropriate.
2. The Council, bearing in mind the particular role of the United Nations Conference on Trade and Development in international commodity trade, shall, as appropriate, keep that organisation informed of its activities and programmes of work.

3. The Council may also make whatever arrangements are appropriate for maintaining effective contact with international organisations of cocoa producers, traders and manufacturers.

4. The Council shall seek to involve the international financial agencies and other parties with an interest in the world cocoa economy in its work on cocoa production and consumption policy.

*Article 14***Admission of observers**

1. The Council may invite any non-member State to attend any of its meetings as an observer.
2. The Council may also invite any of the organisations referred to in Article 13 to attend any of its meetings as an observer.

*Article 15***Composition of the Executive Committee**

1. The Executive Committee shall consist of ten exporting members and ten importing members. If, however, either the number of exporting members or the number of importing members in the Organisation is less than ten, the Council may, while maintaining parity between the two categories of members, decide, by special vote, the total number on the Executive Committee. Members of the Executive Committee shall be elected for each cocoa year in accordance with Article 16 and may be re-elected.
2. Each elected member shall be represented on the Executive Committee by a representative and, if it so desires, by one or more alternates. Each such member may also appoint one or more advisers to its representative or alternates.

3. The Chairman and Vice-Chairman of the Executive Committee, elected for each cocoa year by the Council, shall both be chosen from among the representatives of the exporting members or from among the representatives of the importing members. These offices shall alternate each cocoa year between the two categories of members. In the temporary or permanent absence of the Chairman and the Vice-Chairman, the Executive Committee may elect new officers from among the representatives of the exporting members or from among the representatives of the importing members, as appropriate, on a temporary or permanent basis as may be required. Neither the Chairman nor any other officer presiding at meetings of the Executive Committee may vote. His or her alternate may exercise the voting rights of the member which he or she represents.

4. The Executive Committee shall meet at the headquarters of the Organisation unless, by special vote, it decides otherwise. If, on the invitation of any member, the Executive Committee meets elsewhere than at the headquarters of the Organisation, that Member shall pay the additional costs involved.

Article 16

Election of the Executive Committee

1. The exporting and importing members of the Executive Committee shall be elected in the Council by the exporting and importing members respectively. The election within each category shall be held in accordance with paragraphs 2 and 3 of this Article.

2. Each member shall cast all the votes to which it is entitled under Article 10 for a single candidate. A member may cast for another candidate any votes which it is authorised to cast under paragraph 2 of Article 11.

3. The candidates receiving the largest number of votes shall be elected.

Article 17

Voting procedure and decisions of the Executive Committee

1. Each member of the Executive Committee shall be entitled to cast the number of votes received by it under the provisions of Article 16, and no member of the Executive Committee shall be entitled to divide its votes.

2. Without prejudice to the provisions of paragraph 1 of this Article and by written notification to the Chairperson, any exporting or importing member which is not a member of the Executive Committee and which has not cast its votes under paragraph 2 of Article 16 for any of the members elected may authorise any exporting or importing member of the Executive Committee, as appropriate, to represent its interests and to cast its votes in the Executive Committee.

3. In the course of any cocoa year a member may, after consultation with the member of the Executive Committee for which it voted under Article 16, withdraw its votes from that member. The votes thus withdrawn may be reassigned to another exporting or importing member of the Executive Committee, as appropriate, but may not be withdrawn from this member for the remainder of that cocoa year. The member of the Executive Committee from which the votes have been withdrawn shall nevertheless retain its seat on the Executive Committee for the remainder of that cocoa year. Any action taken pursuant to the provisions of this paragraph shall become effective after the Chairman has been informed in writing thereof.

4. Any decisions taken by the Executive Committee shall require the same majority as that decision would require if taken by the Council.

5. Any member shall have the right of appeal to the Council against any decision of the Executive committee. The Council shall prescribe, in its rules of procedure, the conditions under which such appeal may be made.

Article 18

Competence of the Executive Committee

1. The Executive Committee shall be responsible to, and work under the general direction of, the Council.

2. The Executive Committee shall follow up the administrative, financial and structural matters of the Organisation, in particular:

- (a) examine the draft annual work programme of the organisation for submission to the Council for approval;
- (b) consider and evaluate the report presented by the Executive Director on the implementation of the work programme and the list of priorities;
- (c) review and recommend annual administrative budgets;
- (d) monitor the execution of the budget; in particular, analyse revenues and expenses;
- (e) assist the Council in the appointment of the Executive Director and senior officials of the Organisation;
- (f) approve projects for financing by the Common Fund for Commodities and other donor organisations between Council sessions.

Article 19

Quorum for the Council and the Executive Committee

1. The quorum for the opening meeting of any session of the Council shall be constituted by the presence of at least five exporting Members and a majority of importing members, provided that such members together hold in each category at least two thirds of the total votes of the members in that category.

2. If there is no quorum in accordance with paragraph 1 of this Article on the day appointed for the opening meeting of any session, on the second day, and throughout the remainder of the session, the quorum for the opening session shall be constituted by the presence of exporting and importing members holding a simple majority of the votes in each category.

3. The quorum for meetings subsequent to the opening meeting of any session pursuant to paragraph 1 of this Article shall be that prescribed in paragraph 2 of this Article.

4. Representation in accordance with paragraph 2 of Article 11 shall be considered as presence.

5. The quorum for the opening meeting of any session of the Executive Committee shall be constituted by the presence of at least four exporting members and four importing members, provided that such members together hold in each category at least the simple majority of the votes of the members in that category.

Article 20

The staff of the Organisation

1. The Council shall appoint the Executive Director by special vote for a period of not more than the duration of the Agreement and its extensions, if any. The rules for selection of candidates and the terms of appointment of the Executive Director shall be fixed by the Council.

2. The Executive Director shall be the chief administrative officer of the Organisation and shall be responsible to the Council for the administration and operation of this Agreement in accordance with the decisions of the Council.

3. The staff of the Organisation shall be responsible to the Executive Director.

4. The Executive Director shall appoint the staff in accordance with regulations to be established by the Council. In drawing up such regulations, the Council shall have regard to those applying to officials of similar intergovernmental organisations. Staff appointments shall be made insofar as is practicable from exporting and importing members.

5. Neither the Executive Director nor the staff shall have any financial interest in the cocoa industry, the cocoa trade, cocoa transportation or cocoa publicity.

6. In the performance of their duties, the Executive Director and the staff shall not seek or receive instructions from any member or from any other authority external to the Organisation. They shall refrain from any action which might reflect on their position as international officials responsible only to the Organisation. Each member undertakes to respect the exclusively international character of the responsibilities of the Executive Director and the staff and not to seek to influence them in the discharge of their responsibilities.

7. No information concerning the operation or administration of this Agreement shall be revealed by the Executive Director or the staff of the Organisation, except as may be authorised by the Council or as is necessary for the proper discharge of their duties under this Agreement.

Article 21

Work Programme

1. At its last session of each cocoa year, and on the recommendation of the Executive Committee, the Council shall adopt a work programme for the Organisation for the coming year prepared by the Executive Director. The work programme shall include projects, initiatives and activities to be undertaken by the Organisation in the following cocoa year. The Executive Director shall implement the work programme.

2. During its last meeting of each cocoa year, the Executive Committee shall evaluate the implementation of the work programme for the current year on the basis of a report by the Executive Director. The Executive Committee shall report its findings to the Council.

3. At its first session under this Agreement and on the recommendation of the Executive Committee, the Council shall adopt a list of priorities for the duration and in accordance with the objectives of the Agreement. This list shall serve as the basis for the elaboration of the yearly work programme. During the last meeting of each cocoa year the Executive Committee shall, on the basis of a report by the Executive Director, review and update this list of priorities with particular emphasis on the following year.

CHAPTER V

PRIVILEGES AND IMMUNITIES

Article 22

Privileges and immunities

1. The Organisation shall have legal personality. It shall in particular have the capacity to contract, acquire and dispose of movable and immovable property and to institute legal proceedings.

2. The status, privileges and immunities of the Organisation, its Executive Director, its staff and experts and of representatives of members whilst in the territory of the United Kingdom of Great Britain and Northern Ireland for the purpose of exercising their functions, shall continue to be governed by the Headquarters Agreement concluded between the Government of the United Kingdom of Great Britain and Northern Ireland (hereinafter referred to as the host Government) and the International Cocoa Organisation in London on 26 March 1975, with such amendments as are necessary for the proper functioning of this Agreement.

3. If the headquarters of the Organisation is moved to another country, the new host Government shall, as soon as possible, conclude with the Organisation a headquarters agreement to be approved by the Council.

4. The Headquarters Agreement referred to in paragraph 2 of this Article shall be independent of this Agreement. It shall, however, terminate:

(a) by agreement between the host Government and the Organisation;

(b) in the event of the headquarters of the Organisation being moved from the territory of the host Government; or

(c) in the event of the Organisation ceasing to exist.

5. The Organisation may conclude with one or more other members agreements to be approved by the Council relating to such privileges and immunities as may be necessary for the proper functioning of this Agreement.

PART THREE

FINANCIAL PROVISIONS

CHAPTER VI

Article 24

FINANCE

Liabilities of members

Article 23

Finance

1. There shall be kept an administrative account for the administration of this agreement. The expenses necessary for the administration of this agreement shall be brought into the administrative account and shall be met by annual contributions from members assessed in accordance with Article 25. If, however, a member requests special services, the Council may decide to accede to the request and shall require that member to pay for them.

2. The Council may establish separate accounts for specific purposes that it may establish in accordance with the objectives of the present Agreement. These accounts shall be financed through voluntary contributions from members or other bodies.

3. The financial year of the organisation shall be the same as the cocoa year.

4. The expenses of delegations to the Council, to the Executive Committee and to any of the Committees of the Council or of the Executive Committee shall be met by the members concerned.

5. If the financial position of the Organisation is or appears likely to be, insufficient to finance the remainder of the cocoa year, the Executive Director shall call a special session of the Council within 20 working days unless the Council is otherwise scheduled to meet within 30 calendar days.

A member's liability to the Council and to other members is limited to the extent of its obligations regarding contributions specifically provided for in this Agreement. Third parties dealing with the Council shall be deemed to have notice of the provisions of this Agreement regarding the powers of the Council and the obligations of the members, in particular, paragraph 2 of Article 7 and the first sentence of this Article.

Approval of the administrative budget and assessment of contributions

1. During the second half of each financial year, the Council shall approve the administrative budget of the Organisation for the following financial year, and shall assess the contribution of each member to that budget.

2. The contribution of each member to the administrative budget for each financial year shall be in the proportion which the number of its votes at the time the administrative budget for that financial year is approved bears to the total votes of all the members. For the purpose of assessing contributions, the votes of each member shall be calculated without regard to the suspension of any member's voting rights and any redistribution of votes resulting therefrom.

3. The initial contribution of any member joining the Organisation after the entry into force of this Agreement shall be assessed by the council on the basis of the number of votes to be held by that member and the period remaining in the current financial year, but the assessment made upon other members for the current financial year shall not be altered.

4. If this Agreement enters into force before the beginning of the first full financial year, the Council shall, at its first session, approve an administrative budget covering the period up to the commencement of the first full financial year.

Article 26

Payment of contributions to the administrative budget

3. If, at the end of five months after the beginning of the financial year or, in the case of a new member, three months after the Council has assessed its contribution, a member has not paid its full contribution to the administrative budget, the Executive Director shall request that member to make payment as quickly as possible. If, at the expiration of two months after the request of the Executive Director, that member has still not paid its contribution, the voting rights of that member in the Council and the Executive Committee shall be suspended until such time as it has made full payment of the contribution.

4. A member whose voting rights have been suspended under paragraph 3 of this Article shall not be deprived of any of its other rights or relieved of any of its obligations under this Agreement unless the Council, by special vote, decides otherwise. It shall remain liable to pay its contribution and to meet any other financial obligations under this Agreement.

5. The Council shall consider the question of membership of any member with two years' contributions unpaid, and by special vote may decide that this member shall cease to enjoy the rights of membership and/or cease to be assessed for budgetary purposes. It shall remain liable to meet any other of its financial obligations under this Agreement. By payment of the arrears the member will regain the rights of membership. Any payments made by members in arrears will be credited first to those arrears, rather than to current contributions.

Article 27

1. As soon as possible, but not later than six months after the close of each financial year, the statement of the

Organisation's accounts for that financial year and the balance sheet at the close of that financial year under the accounts referred to in Article 23 shall be audited. The audit shall be carried out by an independent auditor of recognised standing in cooperation with two qualified auditors from member governments, one from exporting members and one from importing members, to be elected by the Council for each financial year. The auditors from member governments shall not be paid by the Organisation for their professional services. However, travel and subsistence costs may be reimbursed by the Organisation under terms and conditions to be determined by the Council.

1. The Council may, by special vote, recommend an amendment of this Agreement to the Contracting Parties. The amendment shall become effective 100 days after the depositary has received notifications of acceptance from Contracting Parties representing at least 75 % of the exporting members holding at least 85 % of the votes of the exporting members, and from Contracting Parties representing at least 75 % of the importing members holding at least 85 % of the votes of the importing members, or on such later date as the Council may, by special vote, have determined. The Council may fix a time within which Contracting Parties shall notify the depositary of their acceptance of the amendment, and, if the amendment has not become effective by such time, it shall be considered withdrawn.

2. Any member on behalf of which notification of acceptance of an amendment has not been made by the date on which such amendment becomes effective shall, as of that date, cease to participate in this Agreement, unless the Council decides to extend the period fixed for acceptance for such member to enable it to complete its internal procedures. Such member shall not be bound by the amendment before it has notified its acceptance thereof.

3. Immediately upon adoption of a recommendation for an amendment the Council shall communicate to the depositary copies of the text of the amendment. The Council shall

provide the depositary with the information necessary to determine whether the notifications of acceptance received are sufficient to make the amendment effective.
