

Commission Decision of 28 August 2003 approving programmes for the purpose of obtaining the status of approved zones and of approved farms in non-approved zones with regard to viral haemorrhagic septicaemia (VHS) and infectious haematopoietic necrosis (IHN) in fish (notified under document number C(2003) 3101) (Text with EEA relevance) (2003/634/EC)

Article 1

1 The programmes listed in Annex I, submitted under Article 10(1) of Directive 91/67/EEC for the purpose of obtaining approved zone status with regard to one or more of the fish diseases viral haemorrhagic septicaemia (VHS) and infectious haematopoietic necrosis (IHN), are hereby approved.

2 The programmes listed in Annex II, submitted under Article 10(1) of Directive 91/67/EEC for the purpose of obtaining status as approved farm situated in a non-approved zone with regard to one or more of the fish diseases VHS and IHN, are hereby approved.

Changes to legislation:

There are currently no known outstanding effects for the Commission Decision of 28 August 2003 approving programmes for the purpose of obtaining the status of approved zones and of approved farms in non-approved zones with regard to viral haemorrhagic septicaemia (VHS) and infectious haematopoietic necrosis (IHN) in fish (notified under document number C(2003) 3101) (Text with EEA relevance) (2003/634/EC), Article 1.
