## ANNEX

Specific conditions applying to soil originating in third countries benefiting from the derogation provided for in Article 1 of this Decision

1. The soil shall be:
  - (a) soil contaminated by pesticides covered by the FAO programme on prevention and disposal of obsolete and unwanted pesticides or similar multilateral programmes, or soil contaminated with persistent organic pollutants listed in the Stockholm Convention on persistent organic pollutants or in the Protocol to the 1979 Convention on long-range trans-boundary air pollution on persistent organic pollutants;
  - (b) packaged in sealed drums or bags in compliance with the IMDG Code, transported in sealed shipping containers from the packaging site in the country of origin to the treatment facility located in the Community in compliance with Regulation (EEC) No 259/93;
  - (c) intended to be treated in the Community in dedicated hazardous waste incinerators, which comply with Directive 2000/76/EC.
2. The soil shall be accompanied by a phytosanitary certificate issued in the country of origin in accordance with Article 13(1)(ii) of Directive 2000/29/EC. The certificate shall state under 'Additional declaration', the indication 'This consignment meets the conditions laid down in Decision 2005/51/EC'.
3. Prior to introduction into the Community, the importer shall be officially informed of the conditions laid down in points 1 to 7 of this Annex. The said importer shall notify details of each introduction sufficiently in advance to the responsible official bodies in the Member State of introduction, indicating:
  - (a) the quantity and the origin of the soil;
  - (b) the declared date of introduction and the confirmation of the point of entry in the Community;
  - (c) the names, addresses and the locations of the premises referred to in point 5 where the soil will be treated.

The importer shall inform the official bodies concerned of any changes to the above details as soon as they are known.

4. The soil shall be introduced through points of entry situated within the territory of a Member State and designated for the purpose of this derogation by that Member State; these points of entry and the name and address of the responsible official body referred to in Directive 2000/29/EC in charge of each point shall be notified sufficiently in advance by the Member States to the Commission and shall be held available on request to other Member States. Direct transport between the point of entry and the place of treatment must be assured. In those cases where the introduction into the Community takes place in a Member State other than the Member State making use of this derogation, the said responsible official bodies of the Member State of introduction shall inform and cooperate with the said responsible official bodies of the Member States making use of this derogation to ensure that the provisions of this Decision are complied with.
5. The soil shall be treated only at premises:

**Changes to legislation:** *There are outstanding changes not yet made to Commission Decision of 21 January 2005 authorising Member States temporarily to provide for derogations from certain provisions of Council Directive 2000/29/EC in respect of the importation of soil contaminated by pesticides or persistent organic pollutants for decontamination purposes (notified under document number C(2005) 92) (2005/51/EC). Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes*

---

- (a) for which the names, addresses and the locations have been notified in accordance with point 3 to the relevant responsible official bodies; and
- (b) officially registered and approved for the purposes of this derogation by the relevant responsible official bodies.

In those cases where the premises are situated in a Member State other than the Member State making use of this derogation, the said responsible official bodies of the Member State making use of this derogation, at the moment of receipt of the aforementioned advance notification from the importer, shall inform the said responsible official bodies of the Member State in which the soil will be treated giving the names, addresses and the locations of the premises where the soil will be treated.

- 6. At the premises referred to in point 5:
  - (a) the soil shall be handled as hazardous waste with all the appropriate safeguards applied; and
  - (b) the soil shall be treated in dedicated hazardous waste incinerators, which comply with Directive 2000/76/EC.
- 7. The Member State making use of this derogation shall convey the details referred to in point (3) for each introduction on a yearly basis to the Commission and the other Member States.

**Changes to legislation:**

There are outstanding changes not yet made to Commission Decision of 21 January 2005 authorising Member States temporarily to provide for derogations from certain provisions of Council Directive 2000/29/EC in respect of the importation of soil contaminated by pesticides or persistent organic pollutants for decontamination purposes (notified under document number C(2005) 92) (2005/51/EC). Any changes that have already been made to the legislation appear in the content and are referenced with annotations.
