(notified under document number C(2020) 7860)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1306/2013 of 17 December 2013 on the financing, management and monitoring of the common agricultural policy and repealing Council Regulations (EEC) No 352/78, (EC) No 165/94, (EC) No 2799/98, (EC) No 814/2000, (EC) No 1290/2005 and (EC) No 485/2008⁽¹⁾, and in particular Article 52 thereof, in conjunction with Article 131 of the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community,

After consulting the Committee on the Agricultural Funds,

Whereas:

- (1) In accordance with Article 52 of Regulation (EU) No 1306/2013, the Commission is to carry out the necessary verifications, communicate to the Member States the results of those verifications, take note of the comments of the Member States, initiate a bilateral discussion so that an agreement may be reached with the Member States in question and formally communicate its conclusions to them.
- (2) The Member States have had an opportunity to request the launch of a conciliation procedure. That opportunity has been used in some cases and the reports issued on the outcome have been examined by the Commission.
- (3) In accordance with Regulation (EU) No 1306/2013, only agricultural expenditure, which has been incurred in a way that has not infringed Union law may be financed.

Changes to legislation: There are currently no known outstanding effects for the Commission Implementing Decision (EU) 2020/1734. (See end of Document for details)

- (4) In the light of the verifications carried out, the outcome of the bilateral discussions and the conciliation procedures, part of the expenditure declared by the Member States does not fulfil this requirement and cannot therefore be financed under the EAGF and the EAFRD.
- (5) The amounts that are not recognised as being chargeable to the EAGF and the EAFRD should be indicated. Those amounts do not relate to expenditure incurred more than twenty-four months before the Commission's written notification of the results of the verifications to the Member States.
- (6) The amounts excluded from Union financing by the present Decision should also take into account any reductions or suspensions in accordance with Article 41 of Regulation (EU) No 1306/2013 due to the fact that such reductions or suspensions are of a provisional nature and without prejudice to decisions taken pursuant to Articles 51 or 52 of that Regulation.
- (7) As regards the cases covered by this decision, the assessment of the amounts to be excluded on grounds of non-compliance with Union law was notified by the Commission to the Member States in a summary report on the subject⁽²⁾.
- (8) This Decision is without prejudice to any financial conclusions that the Commission may draw from the judgments of the Court of Justice of the European Union in cases pending on 30 September 2020,

HAS ADOPTED THIS DECISION:

Article 1
