

Council Directive of 26 June 1964 on animal health problems affecting intra-Community trade in bovine animals and swine (64/432/EEC)

^{F1}Article 8

Member States shall ensure that the suspected presence of any of the diseases referred to in Annex E (I) is compulsorily and immediately notifiable to the competent authority.

Each Member State shall forward to the Commission by 31 May each year, and for the first time in 1999, details of the occurrence of diseases listed in Annex E (I) and of any other diseases covered by the additional guarantees provided for by Community legislation in its territory in the previous calendar year including details of the monitoring and eradication programmes in operation. This information shall be based on uniform criteria to be established by the procedure provided for in Article 17. The Commission shall present this information to the Member States in the framework of the SVC and in particular may utilize it in relation to the decisions referred to in Annexes A and D.]
