

Council Directive of 14 June 1966 on the marketing of cereal seed (66/402/EEC)

*[<sup>F1</sup> Article 22a*

1 Specific conditions may be established in accordance with the procedure laid down in Article 21 to take account of developments in the areas of:

- a conditions under which chemically treated seed may be marketed;
- b conditions under which seed may be marketed in relation to the conservation in situ and the sustainable use of plant genetic resources, including seed mixtures of species which also include species listed in Article 1 of Council Directive 70/457/EEC, and are associated with specific natural and semi-natural habitats and are threatened by genetic erosion;
- c conditions under which seed suitable for organic production may be marketed.

2 The specific conditions referred to in paragraph 1 shall include in particular the following points:

- (i) in the case of (b), the seed of these species shall be of a known provenance approved by the appropriate authority in each Member State for marketing the seed in defined areas;
- (ii) in the case of (b), appropriate quantitative restrictions.]
