

ANNEX I

SCOPE, DEFINITIONS, APPLICATION FOR EEC COMPONENT TYPE-APPROVAL, GENERAL SPECIFICATIONS, TESTS AND CONFORMITY OF PRODUCTION

2. DEFINITIONS

2.1. Vehicle type with regard to head restraints

‘Vehicle type with regard to head restraints’ means vehicles which do not differ in such essential respects as:

2.1.1. the lines and internal dimensions of the bodywork constituting the passenger compartment; and

2.1.2. the types and dimensions of the seats.
