

Council Directive of 25 September 1989 on animal health conditions governing intra-Community trade in and importation from third countries of embryos of domestic animals of the bovine species (89/556/EEC)

CHAPTER II

**Rules for intra-Community trade**

*Article 6*

- 1 An animal health certificate drawn up by an official veterinarian of the Member State of collection on a form conforming to the specimen in Annex C shall accompany each consignment of embryos. A separate certificate shall be issued for each consignment.
- 2 The animal health certificate must:
  - a consist of a single form and be drawn up in at least the official language(s) of the Member State of destination;
  - b be made out to a single consignee;
  - c accompany the consignment of embryos to its destination in its original form.
