COMMISSION DIRECTIVE
of 29 May 1991

on establishing indicative limit values by implementing Council Directive 80/1107/EEC on the protection of workers from the risks related to exposure to chemical, physical and biological agents at work

(91/322/EEC)

Article 1

Indicative limit values, of which Member States shall take account, *inter alia*, when establishing the limit values referred to in Article 4 (4) (b) of Directive 80/1107/EEC are listed in the Annex.

Article 2

1. Member States shall bring into force the provisions necessary to comply with this Directive by 31 December 1993. They shall immediately inform the Commission thereof.

When Member States adopt these provisions, these shall contain a reference to this Directive or shall be accompanied by such reference at the time of their official publication. The procedure for such reference shall be adopted by Member States.

2. Member States shall communicate to the Commission the provisions of national law which they adopt in the field governed by this Directive.

Article 3

This Directive is addressed to the Member States.
