

Council Directive 92/35/EEC of 29 April 1992 laying down  
control rules and measures to combat African horse sickness

*Article 10*

Member States shall ensure that:

1. the measures provided for in Article 9 (1) apply in the surveillance zone. However, if the surveillance zone has no slaughterhouse, the equidae may be slaughtered in the protection zone in a slaughterhouse designated by the competent authority;
2. all vaccination against African horse sickness is prohibited in the surveillance zone.
