

Directive 2001/82/EC of the European Parliament and of the Council of 6 November 2001 on the Community code relating to veterinary medicinal products

TITLE VIII

SUPERVISION AND SANCTIONS

Article 85

1 The competent authority of a Member State shall suspend or withdraw the manufacturing authorization for a category of preparations or for all preparations if any of the requirements laid down in Article 45 are no longer met.

2 The competent authority of a Member State may, in addition to the measures provided for in Article 84, either suspend manufacture or imports of veterinary medicinal products from third countries or suspend or withdraw the manufacturing authorization for a category of preparations or for all preparations in the event of non-compliance with the provisions regarding manufacture or imports from third countries.

[^{F13} Member States shall prohibit the advertising to the general public of veterinary medicinal products that:

- a in accordance with Article 67, are available on veterinary prescription only; or
- b contain psychotropic drugs or narcotics, such as those covered by the United Nations Conventions of 1961 and 1971.]
