Approval of the prospectus

1 No prospectus shall be published until it has been approved by the competent authority of the home Member State.

2 This competent authority shall notify the issuer, the offeror or the person asking for admission to trading on a regulated market, as the case may be, of its decision regarding the approval of the prospectus within 10 working days of the submission of the draft prospectus.

If the competent authority fails to give a decision on the prospectus within the time limits laid down in this paragraph and paragraph 3, this shall not be deemed to constitute approval of the application.

[^{F1}The competent authority shall notify ESMA of the approval of the prospectus and any supplement thereto at the same time as that approval is notified to the issuer, the offeror or the person asking for admission to trading on a regulated market, as the case may be. The competent authorities shall at the same time provide ESMA with a copy of the prospectus and any supplement thereto.]

3 The time limit referred to in paragraph 2 shall be extended to 20 working days if the public offer involves securities issued by an issuer which does not have any securities admitted to trading on a regulated market and who has not previously offered securities to the public.

4 If the competent authority finds, on reasonable grounds, that the documents submitted to it are incomplete or that supplementary information is needed, the time limits referred to in paragraphs 2 and 3 shall apply only from the date on which such information is provided by the issuer, the offeror or the person asking for admission to trading on a regulated market.

In the case referred to in paragraph 2 the competent authority should notify the issuer if the documents are incomplete within 10 working days of the submission of the application.

[^{F25} The competent authority of the home Member State may transfer the approval of a prospectus to the competent authority of another Member State, subject to prior notification to ESMA and the agreement of the competent authority. Such a transfer shall be notified to the issuer, the offeror or the person asking for admission to trading on a regulated market within three working days from the date of the decision taken by the competent authority of the home Member State. The time limit referred to in paragraph 2 shall apply from that date. Article 28(4) of Regulation (EU) No 1095/2010 shall not apply to the transfer of the approval of the prospectus in accordance with this paragraph.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the second subparagraph in accordance with Article 15 of Regulation (EU) No 1095/2010.]

6 This Directive shall not affect the competent authority's liability, which shall continue to be governed solely by national law.

Member States shall ensure that their national provisions on the liability of competent authorities apply only to approvals of prospectuses by their competent authority or authorities.

[^{F37} In order to take account of technical developments on financial markets and to specify the requirements laid down in this Article, the Commission shall adopt, by means of delegated acts in accordance with Article 24a and subject to the conditions of Articles 24b and 24c, measures concerning the conditions in accordance with which time limits may be adjusted.]
