## CHAPTER IV

### CROSS-BORDER OFFERS AND ADMISSION TO TRADING

#### *Article 17*

#### **Community scope of approvals of prospectuses**

1 Without prejudice to Article 23, where an offer to the public or admission to trading on a regulated market is provided for in one or more Member States, or in a Member State other than the home Member State, the prospectus approved by the home Member State and any supplements thereto shall be valid for the public offer or the admission to trading in any number of host Member States, provided that the competent authority of each host Member State is notified in accordance with Article 18. Competent authorities of host Member States shall not undertake any approval or administrative procedures relating to prospectuses.

2 If there are significant new factors, material mistakes or inaccuracies, as referred to in Article 16, arising since the approval of the prospectus, the competent authority of the home Member State shall require the publication of a supplement to be approved as provided for in Article 13(1). The competent authority of the host Member State may draw the attention of the competent authority of the home Member State to the need for any new information.

If applicable, this notification shall be accompanied by a translation of the summary produced under the responsibility of the issuer or person responsible for drawing up the prospectus. The same procedure shall be followed for any supplement to the prospectus.

2 The application of the provisions of Article 8(2) and (3) shall be stated in the certificate, as well as its justification.
