

Directive 2004/109/EC of the European Parliament and of the Council of 15 December 2004 on the harmonisation of transparency requirements in relation to information about issuers whose securities are admitted to trading on a regulated market and amending Directive 2001/34/EC

CHAPTER IV

GENERAL OBLIGATIONS

[^{F1}Article 22

Access to regulated information at Union level

1 ESMA shall develop draft regulatory technical standards setting technical requirements regarding access to regulated information at Union level in order to specify the following:

- a the technical requirements regarding communication technologies used by the mechanisms referred to in Article 21(2);
- b the technical requirements for the operation of the central access point for the search for regulated information at Union level;
- c the technical requirements regarding the use of a unique identifier for each issuer by the mechanisms referred to in Article 21(2);
- d the common format for the delivery of regulated information by the mechanisms referred to in Article 21(2);
- e the common classification of regulated information by the mechanisms referred to in Article 21(2) and the common list of types of regulated information.

2 In developing the draft regulatory technical standards, ESMA shall take into account the technical requirements for the system of interconnection of business registers established by Directive 2012/17/EU of the European Parliament and of the Council⁽¹⁾.

ESMA shall submit those draft regulatory technical standards to the Commission by 27 November 2015.

Power is delegated to the Commission to adopt the regulatory technical standards referred to in the first subparagraph of this paragraph in accordance with Articles 10 to 14 of Regulation (EU) No 1095/2010.]
