

Directive 2004/18/EC of the European Parliament and of the Council of 31 March 2004 on the coordination of procedures for the award of public works contracts, public supply contracts and public service contracts (repealed)

TITLE III

RULES ON PUBLIC WORKS CONCESSIONS

CHAPTER I

Rules governing public works concessions

Article 58

Publication of the notice concerning public works concessions

- 1 Contracting authorities which wish to award a public works concession contract shall make known their intention by means of a notice.
- 2 Notices of public works concessions shall contain the information referred to in Annex VII C and, where appropriate, any other information deemed useful by the contracting authority, in accordance with the standard forms adopted by the Commission pursuant to the procedure in Article 77(2).
- 3 Notices shall be published in accordance with Article 36(2) to (8).
- 4 Article 37 on the publication of notices shall also apply to public works concessions.
