1   Without prejudice to the provisions on travel documents applicable to national border controls, all Union citizens with a valid identity card or passport and their family members who are not nationals of a Member State and who hold a valid passport shall have the right to leave the territory of a Member State to travel to another Member State.

2   No exit visa or equivalent formality may be imposed on the persons to whom paragraph 1 applies.

3   Member States shall, acting in accordance with their laws, issue to their own nationals, and renew, an identity card or passport stating their nationality.

4   The passport shall be valid at least for all Member States and for countries through which the holder must pass when travelling between Member States. Where the law of a Member State does not provide for identity cards to be issued, the period of validity of any passport on being issued or renewed shall be not less than five years.

Article 5

Right of entry

1   Without prejudice to the provisions on travel documents applicable to national border controls, Member States shall grant Union citizens leave to enter their territory with a valid identity card or passport and shall grant family members who are not nationals of a Member State leave to enter their territory with a valid passport.

No entry visa or equivalent formality may be imposed on Union citizens.

2   Family members who are not nationals of a Member State shall only be required to have an entry visa in accordance with Regulation (EC) No 539/2001 or, where appropriate, with national law. For the purposes of this Directive, possession of the valid residence card referred to in Article 10 shall exempt such family members from the visa requirement.

Member States shall grant such persons every facility to obtain the necessary visas. Such visas shall be issued free of charge as soon as possible and on the basis of an accelerated procedure.

3   The host Member State shall not place an entry or exit stamp in the passport of family members who are not nationals of a Member State provided that they present the residence card provided for in Article 10.

4   Where a Union citizen, or a family member who is not a national of a Member State, does not have the necessary travel documents or, if required, the necessary visas, the Member State concerned shall, before turning them back, give such persons every reasonable opportunity to obtain the necessary documents or have them brought to them within a reasonable period of time or to corroborate or prove by other means that they are covered by the right of free movement and residence.

5   The Member State may require the person concerned to report his/her presence within its territory within a reasonable and non-discriminatory period of time. Failure to comply with this requirement may make the person concerned liable to proportionate and non-discriminatory sanctions.**]**
