

Directive 2005/36/EC of the European Parliament and of the Council of 7 September 2005 on the recognition of professional qualifications (Text with EEA relevance)

TITLE III

FREEDOM OF ESTABLISHMENT

CHAPTER III

Recognition on the basis of coordination of minimum training conditions

Section 2

Doctors of medicine

Article 29

Pursuit of the professional activities of general practitioners

Each Member State shall, subject to the provisions relating to acquired rights, make the pursuit of the activities of a general practitioner in the framework of its national social security system contingent upon possession of evidence of formal qualifications referred to in Annex V, point 5.1.4.

Member States may exempt persons who are currently undergoing specific training in general medicine from this condition.
