

Commission Directive 2006/131/EC of 11 December  
2006 amending Council Directive 91/414/EEC to include  
methamidophos as an active substance (Text with EEA relevance)

*Article 3*

1 Member States shall in accordance with Directive 91/414/EEC, where necessary, amend or withdraw existing authorisations for plant protection products containing methamidophos as an active substance by 30 June 2007.

By that date they shall in particular verify that the conditions in Annex I to that Directive relating to methamidophos are met, with the exception of those identified in part B of the entry concerning that active substance, and that the holder of the authorisation has, or has access to, a dossier satisfying the requirements of Annex II to that Directive in accordance with the conditions of Article 13.

2 By derogation from paragraph 1, for each authorised plant protection product containing methamidophos, Member States shall re-evaluate the product in accordance with the uniform principles provided for in Annex VI to Directive 91/414/EEC, on the basis of a dossier satisfying the requirements of Annex III to that Directive and taking into account part B of the entry in Annex I to that Directive concerning methamidophos. On the basis of that evaluation, they shall determine whether the product satisfies the conditions set out in Article 4(1)(b), (c), (d) and (e) of Directive 91/414/EEC.

Following that determination Member States shall for products containing methamidophos, where necessary amend or withdraw the authorisation by 30 June 2008.
