

Council Directive 2008/114/EC of 8 December 2008 on the identification and designation of European critical infrastructures and the assessment of the need to improve their protection (Text with EEA relevance)

Article 10

European critical infrastructure protection contact points

1 Each Member State shall appoint a European critical infrastructure protection contact point ('ECIP contact point').

2 ECIP contact points shall coordinate European critical infrastructure protection issues within the Member State, with other Member States and with the Commission. The appointment of an ECIP contact point does not preclude other authorities in a Member State from being involved in European critical infrastructure protection issues.
