

Council Directive 2008/114/EC of 8 December 2008 on the identification and designation of European critical infrastructures and the assessment of the need to improve their protection (Text with EEA relevance)

Article 6

Security Liaison Officers

- 1 The Security Liaison Officer shall function as the point of contact for security related issues between the owner/operator of the ECI and the relevant Member State authority.
- 2 Each Member State shall assess whether each designated ECI located on its territory possesses a Security Liaison Officer or equivalent. If a Member State finds that such a Security Liaison Officer is in place or an equivalent exists, no further implementation action shall be necessary.
- 3 If a Member State finds that a Security Liaison Officer or equivalent does not exist in relation to a designated ECI, it shall ensure by any measures deemed appropriate, that such a Security Liaison Officer or equivalent is designated.
- 4 Each Member State shall implement an appropriate communication mechanism between the relevant Member State authority and the Security Liaison Officer or equivalent with the objective of exchanging relevant information concerning identified risks and threats in relation to the ECI concerned. This communication mechanism shall be without prejudice to national requirements concerning access to sensitive and classified information.
- 5 Compliance with measures including Community measures which in a particular sector require, or refer to a need to have, a Security Liaison Officer or equivalent, is deemed to satisfy all the requirements of Member States in, or adopted pursuant to, this Article. The guidelines for application referred to in Article 3(2) shall contain an indicative list of such measures.
