

Council Directive 2008/114/EC of 8 December 2008 on the identification and designation of European critical infrastructures and the assessment of the need to improve their protection (Text with EEA relevance)

Article 9

Sensitive European critical infrastructure protection-related information

1 Any person handling classified information pursuant to this Directive on behalf of a Member State or the Commission shall have an appropriate level of security vetting.

Member States, the Commission and relevant supervisory bodies shall ensure that sensitive European critical infrastructure protection-related information submitted to the Member States or to the Commission is not used for any purpose other than the protection of critical infrastructures.

2 This Article shall also apply to non-written information exchanged during meetings at which sensitive subjects are discussed.
