3 Member States may levy taxes on:

- a products other than excise goods;
- b the supply of services, including those relating to excise goods, which cannot be characterised as turnover taxes.

*Article 2* **U.K.**

Excise goods shall be subject to excise duty at the time of:

- (a) their production, including, where applicable, their extraction, within the territory of the Community;
- (b) their importation into the territory of the Community.

2 The formalities laid down by the Community customs provisions for the exit of goods from the customs territory of the Community shall apply *mutatis mutandis* to the exit of excise goods from the Community to a territory referred to in Article 5(2).

3 By way of derogation from paragraphs 1 and 2, Finland shall be authorised, for movements of excise goods between its territory as defined in Article 4(2) and the territories referred to in Article 5(2)(c), to apply the same procedures as those applied for such movements on its territory as defined in Article 4(2).
