of 25 November 2009 on the taking-up and pursuit of the business of
Insurance and Reinsurance (Solvency II) (recast) (Text with EEA relevance)

TITLE I

**GENERAL RULES ON THE TAKING-UP AND PURSUIT OF
DIRECT INSURANCE AND REINSURANCE ACTIVITIES**

CHAPTER VI

**Rules relating to the valuation of assets and liabilities, technical provisions, own funds,
Solvency Capital Requirement, Minimum Capital Requirement and investment rules**

Section 4

Solvency capital requirement

Subsection 2

Solvency capital requirement standard formula

[^{F1}Article 109a

Harmonised technical inputs to standard formula

1 For the purposes of the calculation of the Solvency Capital Requirement in accordance with the standard formula, the ESAs through the Joint Committee shall develop draft implementing technical standards on the allocation of credit assessments of external credit assessment institutions (ECAIs) to an objective scale of credit quality steps applying the steps specified in accordance with Article 111(1)(n).

The ESAs' Joint Committee shall submit those draft implementing technical standards to the Commission by 30 June 2015.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the first subparagraph in accordance with Article 15 of Regulation (EU) No 1094/2010.

2 In order to ensure uniform conditions of application of this Article and for the purposes of facilitating the calculation of the market risk module referred to in Article 105(5), facilitating the calculation of the counterparty default risk module referred to in Article 105(6), evaluating risk mitigation techniques referred to in Article 101(5), and calculating technical provisions, EIOPA shall develop draft implementing technical standards on:

- a lists of regional governments and local authorities, exposures to whom are to be treated as exposures to the central government of the jurisdiction in which they are established, provided that there is no difference in risk between such exposures because of the

specific revenue-raising powers of the former, and specific institutional arrangements exist, the effect of which is to reduce the risk of default;

- b the equity index referred to in Article 106(2), in accordance with the detailed criteria established under Article 111(1)(c) and (o);
- c the adjustments to be made for currencies pegged to the euro in the currency risk sub-module referred to in Article 105(5), in accordance with the detailed criteria for the adjustments for currencies pegged to the euro for the purpose of facilitating the calculation of the currency risk sub-module, as established under Article 111(1)(p).

EIOPA shall submit those draft implementing technical standards to the Commission by 30 June 2015.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the first subparagraph in accordance with Article 15 of Regulation (EU) No 1094/2010.

3 EIOPA shall publish technical information including information concerning the symmetric adjustment referred to in Article 106 on at least a quarterly basis.

4 In order to ensure uniform conditions of application of this Article and for the purpose of facilitating the calculation of the health underwriting risk module referred to in Article 105(4), EIOPA shall develop draft implementing technical standards, taking into account the calculations provided by the supervisory authorities of the Member States concerned, on standard deviations in relation to specific national legislative measures of Member States which permit the sharing of claims payments in respect of health risk amongst insurance and reinsurance undertakings and which meet the criteria in paragraph 5 and any additional criteria established by delegated acts.

EIOPA shall submit those draft implementing technical standards to the Commission by 30 June 2015.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the first subparagraph in accordance with Article 15 of Regulation (EU) No 1094/2010.

5 The implementing technical standards referred to in paragraph 4 shall apply only to the national legislative measures of Member States which permit the sharing of claims payments in respect of health risk amongst insurance and reinsurance undertakings and which meet the following criteria:

- a the mechanism for the sharing of claims is transparent and fully specified in advance of the annual period to which it applies;
- b the mechanism for the sharing of claims, the number of insurance undertakings that participate in the health risk equalisation system (HRES) and the risk characteristics of the business subject to the HRES ensure that for each undertaking participating in the HRES the volatility of annual losses of the business subject to the HRES is significantly reduced by means of the HRES, both in relation to premium and to reserve risk;
- c health insurance subject to the HRES is compulsory and serves as a partial or complete alternative to health cover provided by the statutory social security system;
- d in the event of default of insurance undertakings participating in the HRES, one or more Member States' governments guarantee to meet the policy holder claims of the insurance business that is subject to the HRES in full.

The Commission shall adopt delegated acts in accordance with Article 301a which set out the additional criteria that the national legislative measures arrangements shall meet,

and the methodology and the requirements for the calculation of the standard deviations referred to in paragraph 4 of this Article.]
