

ANNEX I

Safety investigation report content

6. SAFETY RECOMMENDATIONS

When appropriate, this part of the report contains safety recommendations derived from the analysis and conclusions and related to particular subject areas, such as legislation, design, procedures, inspection, management, health and safety at work, training, repair work, maintenance, shore assistance and emergency response.

The safety recommendations are addressed to those that are best placed to implement them, such as ship owners, managers, recognised organisations, maritime authorities, vessel traffic services, emergency bodies, international maritime organisations and European institutions, with the aim of preventing marine casualties.

This part also includes any interim safety recommendations that may have been made or any safety actions taken during the course of the safety investigation.
