

Directive 2009/41/EC of the European Parliament and of the
Council of 6 May 2009 on the contained use of genetically
modified micro-organisms (Recast) (Text with EEA relevance)

Article 11

1 If the user becomes aware of relevant new information or modifies the contained use in a way which could have significant consequences in terms of the risks posed by it, the competent authority shall be informed as soon as possible and the notification pursuant to Articles 6, 8 and 9 shall be modified.

2 If information subsequently becomes available to the competent authority which could have significant consequences in terms of the risks posed by the contained use, the competent authority may require the user to modify the conditions of, or suspend or terminate, the contained use.
