

Council Directive 2011/16/EU of 15 February 2011 on administrative cooperation in the field of taxation and repealing Directive 77/799/EEC

COUNCIL DIRECTIVE 2011/16/EU

of 15 February 2011

on administrative cooperation in the field of taxation and repealing Directive 77/799/EEC

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Articles 113 and 115 thereof,

Having regard to the proposal from the European Commission,

Having regard to the opinion of the European Parliament⁽¹⁾,

Having regard to the opinion of the European Economic and Social Committee⁽²⁾,

Acting in accordance with a special legislative procedure,

Whereas:

- (1) The Member States' need for mutual assistance in the field of taxation is growing rapidly in a globalised era. There is a tremendous development of the mobility of taxpayers, of the number of cross-border transactions and of the internationalisation of financial instruments, which makes it difficult for Member States to assess taxes due properly. This increasing difficulty affects the functioning of taxation systems and entails double taxation, which itself incites tax fraud and tax evasion, while the powers of controls remain at national level. It thus jeopardises the functioning of the internal market.
- (2) Therefore, a single Member State cannot manage its internal taxation system, especially as regards direct taxation, without receiving information from other Member States. In order to overcome the negative effects of this phenomenon, it is indispensable to develop new administrative cooperation between the Member States' tax administrations. There is a need for instruments likely to create confidence between Member States, by setting up the same rules, obligations and rights for all Member States.
- (3) Therefore, a completely new approach should be taken by creating a new text to give Member States the power to efficiently cooperate at international level to overcome the negative effects of an ever-increasing globalisation on the internal market.
- (4) In such a context, the existing Council Directive 77/799/EEC of 19 December 1977 concerning mutual assistance by the competent authorities of the Member States in the field of direct taxation and taxation of insurance premiums⁽³⁾ no longer provides for appropriate measures. Its deep weaknesses have been looked into by the Ad hoc Council

Working Party on Tax Fraud in its report of 22 May 2000 and more recently by the Commission Communication on Preventing and Combating Corporate and Financial Malpractice of 27 September 2004 and the Commission Communication concerning the need to develop a coordinated strategy to improve the fight against fiscal fraud of 31 May 2006.

- (5) Directive 77/799/EEC, even with its later amendments, was designed in a different context to current internal market requirements and is no longer able to meet the new requirements of administrative cooperation.
- (6) Due to the number and the importance of adaptations to be made to Directive 77/799/EEC, a mere amendment thereof would not be sufficient to fulfil the objectives described above. Directive 77/799/EEC should therefore be repealed and replaced by a new legal instrument. That instrument should apply to direct taxes and indirect taxes that are not yet covered by other Union legislation. To this end, this new Directive is considered to be the proper instrument in terms of effective administrative cooperation.
- (7) This Directive builds on the achievements of Directive 77/799/EEC but provides for clearer and more precise rules governing administrative cooperation between Member States where necessary, in order to establish, especially as regards the exchange of information, a wider scope of administrative cooperation between Member States. Clearer rules should also make it possible in particular to cover all legal and natural persons in the Union, taking into account the ever-increasing range of legal arrangements, including not only traditional arrangements such as trusts, foundations and investment funds, but any new instrument which may be set up by taxpayers in the Member States.
- (8) There should be more direct contact between Member States' local or national offices in charge of administrative cooperation, with communication between central liaison offices being the rule. The lack of direct contacts leads to inefficiency, under-use of the arrangements for administrative cooperation and delays in communication. Provision should therefore be made to bring about more direct contacts between services with a view to making cooperation more efficient and faster. The assignment of competences to the liaison departments should be deferred to the national provisions of each Member State.
- (9) Member States should exchange information concerning particular cases where requested by another Member State and should make the necessary enquiries to obtain such information. The standard of 'foreseeable relevance' is intended to provide for exchange of information in tax matters to the widest possible extent and, at the same time, to clarify that Member States are not at liberty to engage in 'fishing expeditions' or to request information that is unlikely to be relevant to the tax affairs of a given taxpayer. While Article 20 of this Directive contains procedural requirements, those provisions need to be interpreted liberally in order not to frustrate the effective exchange of information.
- (10) It is recognised that the mandatory automatic exchange of information without preconditions is the most effective means of enhancing the correct assessment of taxes in cross-border situations and of fighting fraud. To that end, a step-by-step

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

approach should therefore be followed starting with the automatic exchange of available information on five categories and reviewing the relevant provisions after a report by the Commission.

- (11) The spontaneous exchange of information between Member States should also be strengthened and encouraged.
- (12) Time limits for the provision of information under this Directive should be laid down in order to ensure that the information exchange is timely and thus effective.
- (13) It is important that officials of the tax administration of one Member State are allowed to be present in the territory of another Member State.
- (14) Since the tax situation of one or more persons liable to tax established in several Member States is often of common or complementary interest, it should be made possible for simultaneous controls to be carried out on such persons by two or more Member States, by mutual agreement and on a voluntary basis.
- (15) In view of the legal requirement in certain Member States that a taxpayer be notified of decisions and instruments concerning his tax liability and of the ensuing difficulties for the tax authorities, including cases where the taxpayer has relocated to another Member State, it is desirable that, in such circumstances, the tax authorities should be able to call upon the cooperation of the competent authorities of the Member State to which the taxpayer has relocated.
- (16) Feedback on information sent will encourage administrative cooperation between Member States.
- (17) Collaboration between the Member States and the Commission is necessary for the permanent study of cooperation procedures and the sharing of experience and best practices in the fields considered.
- (18) It is important for the efficiency of administrative cooperation that information and documents obtained under this Directive could, subject to the restrictions laid down in this Directive, be used by the Member State that received them also for other purposes. It is also important that Member States could transmit that information to a third country, under certain conditions.
- (19) The situations in which a requested Member State may refuse to provide information should be clearly defined and limited, taking into account certain private interests which should be protected as well as the public interest.
- (20) However, a Member State should not refuse to transmit information because it has no domestic interest or because the information is held by a bank, other financial institution, nominee or person acting in an agency or fiduciary capacity or because it relates to ownership interests in a person.
- (21) This Directive contains minimum rules and should therefore not affect Member States' right to enter into wider cooperation with other Member States under their national legislation or in the framework of bilateral or multilateral agreements concluded with other Member States.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

- (22) It should also be made clear that where a Member State provides a wider cooperation to a third country than is provided for under this Directive, it should not refuse to provide such wider cooperation to other Member States wishing to enter into such mutual wider cooperation.
- (23) The exchange of information should be made through standardised forms, formats and channels of communication.
- (24) An evaluation of the effectiveness of administrative cooperation should be made, especially on the basis of statistics.
- (25) The measures necessary for the implementation of this Directive should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission⁽⁴⁾.
- (26) In accordance with point 34 of the Interinstitutional Agreement on better law-making, Member States are encouraged to draw up, for themselves and in the interests of the Union, their own tables illustrating, as far as possible, the correlation between this Directive and the transposition measures, and to make them public.
- (27) All exchange of information referred to in this Directive is subject to the provisions implementing Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data⁽⁵⁾ and to Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data⁽⁶⁾. However, it is appropriate to consider limitations of certain rights and obligations laid down by Directive 95/46/EC in order to safeguard the interests referred to in Article 13(1)(e) of that Directive. Such limitations are necessary and proportionate in view of the potential loss of revenue for Member States and the crucial importance of information covered by this Directive for the effectiveness of the fight against fraud.
- (28) This Directive respects the fundamental rights and observes the principles which are recognised in particular by the Charter of Fundamental Rights of the European Union.
- (29) Since the objective of this Directive, namely the efficient administrative cooperation between Member States to overcome the negative effects of the increasing globalisation on the internal market, cannot be sufficiently achieved by the Member States and can therefore, by reason of the uniformity and effectiveness required, be better achieved at the level of the Union, the Union may adopt measures, in accordance with the principle of subsidiarity as set out in Article 5 of the Treaty on the European Union. In accordance with the principle of proportionality, as set out in that Article, this Directive does not go beyond what is necessary in order to achieve that objective,

HAS ADOPTED THIS DIRECTIVE:

4 Before 1 July 2016, Member States shall provide the Commission on an annual basis with statistics on the volume of automatic exchanges and, to the extent possible, with

information on the administrative and other relevant costs and benefits relating to exchanges that have taken place and any potential changes, for both tax administrations and third parties.

[^{F15} Before 1 July 2017, the Commission shall submit a report that provides an overview and an assessment of the statistics and information received, on issues such as the administrative and other relevant costs and benefits of the automatic exchange of information, as well as practical aspects linked thereto. If appropriate, the Commission shall present a proposal to the Council regarding the categories and the conditions laid down in paragraph 1, including the condition that information concerning residents in other Member States has to be available, or the items referred to in paragraph 3a, or both.

When examining a proposal presented by the Commission, the Council shall assess further strengthening of the efficiency and functioning of the automatic exchange of information and raising the standard thereof, with the aim of providing that:

- a the competent authority of each Member State shall, by automatic exchange, communicate to the competent authority of any other Member State, information regarding taxable periods as from 1 January 2017 concerning residents in that other Member State, on all categories of income and capital listed in paragraph 1, as they are to be understood under the national legislation of the Member State communicating the information; and

7 The Commission shall adopt the practical arrangements for the automatic exchange of information, in accordance with the procedure referred to in Article 26(2), before the dates referred to in Article 29(1).

[^{F27a} For the purposes of subparagraphs B.1(c) and C.17(g) of Section VIII of Annex I, each Member State shall, by 31 July 2015, provide to the Commission the list of entities and accounts that are to be treated, respectively, as Non-Reporting Financial Institutions and Excluded Accounts. Each Member State shall also inform the Commission if any changes in this respect occur. The Commission shall publish in the *Official Journal of the European Union* a compiled list of the information received and shall update the list as necessary.

Member States shall ensure that those types of Non-Reporting Financial Institutions and Excluded Accounts satisfy all the requirements listed in subparagraphs B.1(c) and C.17(g) of Section VIII of Annex I, and in particular that the status of a Financial Institution as a Non-Reporting Financial Institution or the status of an account as an Excluded Account does not frustrate the purposes of this Directive.]

8 Where Member States agree on the automatic exchange of information for additional categories of income and capital in bilateral or multilateral agreements which they conclude with other Member States, they shall communicate those agreements to the Commission which shall make those agreements available to all the other Member States

2 With the permission of the competent authority of the Member State communicating information pursuant to this Directive, and only in so far as this is allowed under the legislation of the Member State of the competent authority receiving the information, information and documents received pursuant to this Directive may be used for other purposes than those referred to in paragraph 1. Such permission shall be granted if the information can be used for similar purposes in the Member State of the competent authority communicating the information.

3 Where a competent authority of a Member State considers that information which it has received from the competent authority of another Member State is likely to be useful for the purposes referred to in paragraph 1 to the competent authority of a third Member State, it may transmit that information to the latter competent authority, provided that transmission is in accordance with the rules and procedures laid down in this Directive. 4 Permission to use information pursuant to paragraph 2, which has been transmitted pursuant to paragraph 3, may be granted only by the competent authority of the Member State from which the information originates.

5 Information, reports, statements and any other documents, or certified true copies or extracts thereof, obtained by the requested authority and communicated to the requesting authority in accordance with this Directive may be invoked as evidence by the competent bodies of the requesting Member State on the same basis as similar information, reports, statements and any other documents provided by an authority of that Member State.

That obligation is without prejudice to paragraphs 2, 3 and 4 of Article 17, the invocation of which shall in no case be construed as permitting a requested Member State to decline to supply information solely because it has no domestic interest in such information.

2 In no case shall Article 17(2) and (4) be construed as permitting a requested authority of a Member State to decline to supply information solely because this information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

3 Notwithstanding paragraph 2, a Member State may refuse the transmission of requested information where such information concerns taxable periods prior to 1 January 2011 and where the transmission of such information could have been refused on the basis of Article 8(1) of Directive 77/799/EEC if it had been requested before 11 March 2011.

REPORTING AND DUE DILIGENCE RULES FOR FINANCIAL ACCOUNT INFORMATION

This Annex lays down the reporting and due diligence rules that have to be applied by Reporting Financial Institutions in order to enable the Member States to communicate, by automatic exchange, the information referred to in Article 8(3a) of this Directive. This Annex also describes the rules and administrative procedures that Member States shall have in place to ensure effective implementation of, and compliance with, the reporting and due diligence procedures set out below.

SECTION I

GENERAL REPORTING REQUIREMENTS

- A. Subject to paragraphs C through E, each Reporting Financial Institution must report to the competent authority of its Member State the following information with respect to each Reportable Account of such Reporting Financial Institution:
1. the name, address, Member State(s) of residence, TIN(s) and date and place of birth (in the case of an individual) of each Reportable Person that is an Account Holder of the account and, in the case of any Entity that is an Account Holder and that, after application of the due diligence procedures consistent with Sections V, VI and VII, is identified as having one or more Controlling Persons that is a Reportable Person, the name, address, Member State(s) and (if any) other jurisdiction(s) of residence and TIN(s) of the Entity and the name, address, Member State(s) of residence, TIN(s) and date and place of birth of each Reportable Person;
 2. the account number (or functional equivalent in the absence of an account number);
 3. the name and identifying number (if any) of the Reporting Financial Institution;
 4. the account balance or value (including, in the case of a Cash Value Insurance Contract or Annuity Contract, the Cash Value or surrender value) as of the end of the relevant calendar year or other appropriate reporting period or, if the account was closed during such year or period, the closure of the account;
 5. in the case of any Custodial Account:
 - (a) the total gross amount of interest, the total gross amount of dividends, and the total gross amount of other income generated with respect to the assets held in the account, in each case paid or credited to the account (or with respect to the account) during the calendar year or other appropriate reporting period; and
 - (b) the total gross proceeds from the sale or redemption of Financial Assets paid or credited to the account during the calendar year or other appropriate reporting period with respect to which the Reporting Financial Institution acted as a custodian, broker, nominee, or otherwise as an agent for the Account Holder;

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

6. in the case of any Depository Account, the total gross amount of interest paid or credited to the account during the calendar year or other appropriate reporting period; and
 7. in the case of any account not described in subparagraph A(5) or (6), the total gross amount paid or credited to the Account Holder with respect to the account during the calendar year or other appropriate reporting period with respect to which the Reporting Financial Institution is the obligor or debtor, including the aggregate amount of any redemption payments made to the Account Holder during the calendar year or other appropriate reporting period.
- B. The information reported must identify the currency in which each amount is denominated.
- C. Notwithstanding subparagraph A(1), with respect to each Reportable Account that is a Pre-existing Account, the TIN(s) or date of birth is not required to be reported if such TIN(s) or date of birth is not in the records of the Reporting Financial Institution and is not otherwise required to be collected by such Reporting Financial Institution under domestic law or any Union legal instrument. However, a Reporting Financial Institution is required to use reasonable efforts to obtain the TIN(s) and date of birth with respect to Pre-existing Accounts by the end of the second calendar year following the year in which Pre-existing Accounts were identified as Reportable Accounts.
- D. Notwithstanding subparagraph A(1), the TIN is not required to be reported if a TIN is not issued by the relevant Member State or other jurisdiction of residence.
- E. Notwithstanding subparagraph A(1), the place of birth is not required to be reported unless:
- (1) the Reporting Financial Institution is otherwise required to obtain and report it under domestic law or the Reporting Financial Institution is or has been otherwise required to obtain and report it under any Union legal instrument in effect or that was in effect on 5 January 2015; and
 - (2) it is available in the electronically searchable data maintained by the Reporting Financial Institution.

SECTION II

GENERAL DUE DILIGENCE REQUIREMENTS

- A. An account is treated as a Reportable Account beginning as of the date it is identified as such pursuant to the due diligence procedures in Sections II through VII and, unless otherwise provided, information with respect to a Reportable Account must be reported annually in the calendar year following the year to which the information relates.
- B. The balance or value of an account is determined as of the last day of the calendar year or other appropriate reporting period.
- C. Where a balance or value threshold is to be determined as of the last day of a calendar year, the relevant balance or value must be determined as of the last day of the reporting period that ends with or within that calendar year.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

- D. Each Member State may allow Reporting Financial Institutions to use service providers to fulfil the reporting and due diligence obligations imposed on such Reporting Financial Institutions, as contemplated in domestic law, but these obligations shall remain the responsibility of the Reporting Financial Institutions.
- E. Each Member State may allow Reporting Financial Institutions to apply the due diligence procedures for New Accounts to Pre-existing Accounts, and the due diligence procedures for High Value Accounts to Lower Value Accounts. Where a Member State allows New Account due diligence procedures to be used for Pre-existing Accounts, the rules otherwise applicable to Pre-existing Accounts continue to apply.

SECTION III

DUE DILIGENCE FOR PRE-EXISTING INDIVIDUAL ACCOUNTS

- A. Introduction. The following procedures apply for purposes of identifying Reportable Accounts among Pre-existing Individual Accounts.
- B. Lower Value Accounts. The following procedures apply with respect to Lower Value Accounts.
 - 1. Residence Address. If the Reporting Financial Institution has in its records a current residence address for the individual Account Holder based on Documentary Evidence, the Reporting Financial Institution may treat the individual Account Holder as being a resident for tax purposes of the Member State or other jurisdiction in which the address is located for purposes of determining whether such individual Account Holder is a Reportable Person.
 - 2. Electronic Record Search. If the Reporting Financial Institution does not rely on a current residence address for the individual Account Holder based on Documentary Evidence as set forth in subparagraph B(1), the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the following indicia and apply subparagraphs B(3) to (6):
 - (a) identification of the Account Holder as a resident of a Member State;
 - (b) current mailing or residence address (including a post office box) in a Member State;
 - (c) one or more telephone numbers in a Member State and no telephone number in the Member State of the Reporting Financial Institution;
 - (d) standing instructions (other than with respect to a Depository Account) to transfer funds to an account maintained in a Member State;
 - (e) currently effective power of attorney or signatory authority granted to a person with an address in a Member State; or

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

- (f) a 'hold mail' instruction or 'in-care-of' address in a Member State if the Reporting Financial Institution does not have any other address on file for the Account Holder.
- 3. If none of the indicia listed in subparagraph B(2) are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more indicia being associated with the account, or the account becomes a High Value Account.
- 4. If any of the indicia listed in subparagraph B(2)(a) through (e) are discovered in the electronic search, or if there is a change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the Account Holder as a resident for tax purposes of each Member State for which an indicium is identified, unless it elects to apply subparagraph B(6) and one of the exceptions in that subparagraph applies with respect to that account.
- 5. If a 'hold mail' instruction or 'in-care-of' address is discovered in the electronic search and no other address and none of the other indicia listed in subparagraph B(2)(a) through (e) are identified for the Account Holder, the Reporting Financial Institution must, in the order most appropriate to the circumstances, apply the paper record search described in subparagraph C(2), or seek to obtain from the Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of such Account Holder. If the paper search fails to establish an indicium and the attempt to obtain the self-certification or Documentary Evidence is not successful, the Reporting Financial Institution must report the account to the competent authority of its Member State as an undocumented account.
- 6. Notwithstanding a finding of indicia under subparagraph B(2), a Reporting Financial Institution is not required to treat an Account Holder as a resident of a Member State if:
 - (a) the Account Holder information contains a current mailing or residence address in that Member State, one or more telephone numbers in that Member State (and no telephone number in the Member State of the Reporting Financial Institution) or standing instructions (with respect to Financial Accounts other than Depository Accounts) to transfer funds to an account maintained in a Member State, and the Reporting Financial Institution obtains, or has previously reviewed and maintains, a record of:
 - (i) a self-certification from the Account Holder of the Member State(s) or other jurisdiction(s) of residence of such Account Holder that does not include that Member State; and
 - (ii) Documentary Evidence establishing the Account Holder's non-reportable status;
 - (b) the Account Holder information contains a currently effective power of attorney or signatory authority granted to a person with an address in that Member State, and the Reporting Financial Institution obtains, or has previously reviewed and maintains, a record of:

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

- (i) a self-certification from the Account Holder of the Member State(s) or other jurisdiction(s) of residence of such Account Holder that does not include that Member State; or
 - (ii) Documentary Evidence establishing the Account Holder's non-reportable status.
- C. Enhanced Review Procedures for High Value Accounts. The following enhanced review procedures apply with respect to High Value Accounts.
 - 1. Electronic Record search. With respect to High Value Accounts, the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the indicia described in subparagraph B(2).
 - 2. Paper Record Search. If the Reporting Financial Institution's electronically searchable databases include fields for, and capture all of the information described in, subparagraph C(3), then a further paper record search is not required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Financial Institution within the last five years for any of the indicia described in subparagraph B(2):
 - (a) the most recent Documentary Evidence collected with respect to the account;
 - (b) the most recent account opening contract or documentation;
 - (c) the most recent documentation obtained by the Reporting Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
 - (d) any power of attorney or signature authority forms currently in effect; and
 - (e) any standing instructions (other than with respect to a Depository Account) to transfer funds currently in effect.
 - 3. Exception To The Extent Databases Contain Sufficient Information. A Reporting Financial Institution is not required to perform the paper record search described in subparagraph C(2) to the extent the Reporting Financial Institution's electronically searchable information includes the following:
 - (a) the Account Holder's residence status;
 - (b) the Account Holder's residence address and mailing address currently on file with the Reporting Financial Institution;
 - (c) the Account Holder's telephone number(s) currently on file, if any, with the Reporting Financial Institution;
 - (d) in the case of Financial Accounts other than Depository Accounts, whether there are standing instructions to transfer funds in the

- account to another account (including an account at another branch of the Reporting Financial Institution or another Financial Institution);
- (e) whether there is a current ‘in-care-of’ address or ‘hold mail’ instruction for the Account Holder; and
 - (f) whether there is any power of attorney or signatory authority for the account.
4. Relationship Manager Inquiry for Actual Knowledge. In addition to the electronic and paper record searches described in subparagraphs C(1) and (2), the Reporting Financial Institution must treat as a Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with that High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Reportable Person.
5. Effect of Finding Indicia.
- (a) If none of the indicia listed in subparagraph B(2) are discovered in the enhanced review of High Value Accounts described in paragraph C, and the account is not identified as held by a Reportable Person in subparagraph C(4), then further action is not required until there is a change in circumstances that results in one or more indicia being associated with the account.
 - (b) If any of the indicia listed in subparagraphs B(2)(a) through (e) are discovered in the enhanced review of High Value Accounts described in paragraph C, or if there is a subsequent change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Member State for which an indicium is identified unless it elects to apply subparagraph B(6) and one of the exceptions in that subparagraph applies with respect to that account.
 - (c) If a ‘hold mail’ instruction or ‘in-care-of’ address is discovered in the enhanced review of High Value Accounts described in paragraph C, and no other address and none of the other indicia listed in subparagraphs B(2)(a) through (e) are identified for the Account Holder, the Reporting Financial Institution must obtain from such Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of the Account Holder. If the Reporting Financial Institution cannot obtain such self-certification or Documentary Evidence, it must report the account to the competent authority of its Member State as an undocumented account.
6. If a Pre-existing Individual Account is not a High Value Account as of 31 December 2015, but becomes a High Value Account as of the last day of a subsequent calendar year, the Reporting Financial Institution must complete the enhanced review procedures described in paragraph C with respect to such account within the calendar year following the year in which the account becomes a High Value Account. If based on this review such account

is identified as a Reportable Account, the Reporting Financial Institution must report the required information about such account with respect to the year in which it is identified as a Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Reportable Person.

7. Once a Reporting Financial Institution applies the enhanced review procedures described in paragraph C to a High Value Account, the Reporting Financial Institution is not required to reapply such procedures, other than the relationship manager inquiry described in subparagraph C(4), to the same High Value Account in any subsequent year unless the account is undocumented where the Reporting Financial Institution should reapply them annually until such account ceases to be undocumented.
 8. If there is a change of circumstances with respect to a High Value Account that results in one or more indicia described in subparagraph B(2) being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Member State for which an indicium is identified unless it elects to apply subparagraph B(6) and one of the exceptions in that subparagraph applies with respect to that account.
 9. A Reporting Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in a Member State, the Reporting Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(6), is required to obtain the appropriate documentation from the Account Holder.
- D. Review of Pre-existing High Value Individual Accounts must be completed by 31 December 2016. Review of Pre-existing Lower Value Individual Accounts must be completed by 31 December 2017.
- E. Any Pre-existing Individual Account that has been identified as a Reportable Account under this Section must be treated as a Reportable Account in all subsequent years, unless the Account Holder ceases to be a Reportable Person.

SECTION IV

DUE DILIGENCE FOR NEW INDIVIDUAL ACCOUNTS

The following procedures apply for purposes of identifying Reportable Accounts among New Individual Accounts.

- A. With respect to New Individual Accounts, upon account opening, the Reporting Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

- B. If the self-certification establishes that the Account Holder is resident for tax purposes in a Member State, the Reporting Financial Institution must treat the account as a Reportable Account and the self-certification must also include the Account Holder's TIN with respect to such Member State (subject to paragraph D of Section I) and date of birth.
- C. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes the residence(s) for tax purposes of the Account Holder.

SECTION V

DUE DILIGENCE FOR PRE-EXISTING ENTITY ACCOUNTS

The following procedures apply for purposes of identifying Reportable Accounts among Pre-existing Entity Accounts.

- A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Financial Institution elects otherwise, either with respect to all Pre-existing Entity Accounts or, separately, with respect to any clearly identified group of such accounts, a Pre-existing Entity Account with an aggregate account balance or value that does not exceed, as of 31 December 2015, an amount denominated in the domestic currency of each Member State that corresponds to USD 250 000, is not required to be reviewed, identified, or reported as a Reportable Account until the aggregate account balance or value exceeds that amount as of the last day of any subsequent calendar year.
- B. **Entity Accounts Subject to Review.** A Pre-existing Entity Account that has an aggregate account balance or value that exceeds, as of 31 December 2015, an amount denominated in the domestic currency of each Member State that corresponds to USD 250 000, and a Pre-existing Entity Account that does not exceed, as of 31 December 2015, that amount but the aggregate account balance or value of which exceeds such amount as of the last day of any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D.
- C. **Entity Accounts With Respect to Which Reporting Is Required.** With respect to Pre-existing Entity Accounts described in paragraph B, only accounts that are held by one or more Entities that are Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons, shall be treated as Reportable Accounts.
- D. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required.** For Pre-existing Entity Accounts described in paragraph B, a Reporting Financial Institution must apply the following review procedures to determine whether the account is held by one or more Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons:
 - 1. Determine Whether the Entity Is a Reportable Person.
 - (a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information

indicates that the Account Holder is resident in a Member State. For this purpose, information indicating that the Account Holder is resident in a Member State includes a place of incorporation or organisation, or an address in a Member State.

- (b) If the information indicates that the Account Holder is resident in a Member State, the Reporting Financial Institution must treat the account as a Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person.
2. Determine Whether the Entity is a Passive NFE with One or More Controlling Persons who are Reportable Persons. With respect to an Account Holder of a Pre-existing Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must determine whether the Account Holder is a Passive NFE with one or more Controlling Persons who are Reportable Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account must be treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs D(2)(a) through (c) in the order most appropriate under the circumstances.
- (a) Determining whether the Account Holder is a Passive NFE. For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must obtain a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution.
 - (b) Determining the Controlling Persons of an Account Holder. For the purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
 - (c) Determining whether a Controlling Person of a Passive NFE is a Reportable Person. For the purposes of determining whether a Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may rely on:
 - (i) information collected and maintained pursuant to AML/KYC Procedures in the case of a Pre-existing Entity Account held by one or more NFEs with an aggregate account balance or value that does not exceed an amount denominated in the domestic currency of each Member State that corresponds to USD 1 000 000; or
 - (ii) a self-certification from the Account Holder or such Controlling Person of the Member State(s) or other jurisdiction(s) in which the controlling person is resident for tax purposes.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

- E. Timing of Review and Additional Procedures Applicable to Pre-existing Entity Accounts
1. Review of Pre-existing Entity Accounts with an aggregate account balance or value that exceeds, as of 31 December 2015, an amount denominated in the domestic currency of each Member State that corresponds to USD 250 000, must be completed by 31 December 2017.
 2. Review of Pre-existing Entity Accounts with an aggregate account balance or value that does not exceed, as of 31 December 2015, an amount denominated in the domestic currency of each Member State that corresponds to USD 250 000 but exceeds that amount as of 31 December of a subsequent year, must be completed within the calendar year following the year in which the aggregate account balance or value exceeds such amount.
 3. If there is a change of circumstances with respect to a Pre-existing Entity Account that causes the Reporting Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Financial Institution must re-determine the status of the account in accordance with the procedures set forth in paragraph D.

SECTION VI

DUE DILIGENCE FOR NEW ENTITY ACCOUNTS

The following procedures apply for purposes of identifying Reportable Accounts among New Entity Accounts.

Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required. For New Entity Accounts, a Reporting Financial Institution must apply the following review procedures to determine whether the account is held by one or more Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons:

1. Determine Whether the Entity Is a Reportable Person.
 - (a) Obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures. If the Entity certifies that it has no residence for tax purposes, the Reporting Financial Institution may rely on the address of the principal office of the Entity to determine the residence of the Account Holder.
 - (b) If the self-certification indicates that the Account Holder is resident in a Member State, the Reporting Financial Institution must treat the account as a Reportable Account, unless it reasonably determines based on information in its possession or that is publicly available that the Account Holder is not a Reportable Person with respect to such Member State.
2. Determine Whether the Entity is a Passive NFE with One or More Controlling Persons Who Are Reportable Persons. With respect to an Account Holder of a New Entity Account (including an Entity that is a Reportable Person), the Reporting Financial

Institution must determine whether the Account Holder is a Passive NFE with one or more Controlling Persons who are Reportable Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account must be treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs A(2)(a) through (c) in the order most appropriate under the circumstances.

- (a) Determining whether the Account Holder is a Passive NFE. For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must rely on a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution.
- (b) Determining the Controlling Persons of an Account Holder. For purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
- (c) Determining whether a Controlling Person of a Passive NFE is a Reportable Person. For purposes of determining whether a controlling person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may rely on a self-certification from the Account Holder or such Controlling Person.

SECTION VII

SPECIAL DUE DILIGENCE RULES

The following additional rules apply in implementing the due diligence procedures described above:

- A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Financial Institution may not rely on a self-certification or Documentary Evidence if the Reporting Financial Institution knows or has reason to know that the self-certification or Documentary Evidence is incorrect or unreliable.
- B. **Alternative Procedures for Financial Accounts held by Individual Beneficiaries of a Cash Value Insurance Contract or an Annuity Contract and for a Group Cash Value Insurance Contract or Group Annuity Contract.** A Reporting Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract or an Annuity Contract receiving a death benefit is not a Reportable Person and may treat such Financial Account as other than a Reportable Account unless the Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person. A Reporting Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract or an Annuity Contract is a Reportable Person if the information collected by the Reporting Financial Institution and associated with the beneficiary contains indicia as described in paragraph B of Section III. If a Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person, the Reporting Financial Institution must follow the procedures in paragraph B of Section III.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

A Reporting Financial Institution may treat a Financial Account that is a member's interest in a Group Cash Value Insurance Contract or Group Annuity Contract as a Financial Account that is not a Reportable Account until the date on which an amount is payable to the employee/certificate holder or beneficiary, if the Financial Account that is a member's interest in a Group Cash Value Insurance Contract or Group Annuity Contract meets the following requirements:

- (i) the Group Cash Value Insurance Contract or Group Annuity Contract is issued to an employer and covers 25 or more employees/certificate holders;
- (ii) the employee/certificate holders are entitled to receive any contract value related to their interests and to name beneficiaries for the benefit payable upon the employee's death; and
- (iii) the aggregate amount payable to any employee/certificate holder or beneficiary does not exceed an amount denominated in the domestic currency of each Member State that corresponds to USD 1 000 000.

The term 'Group Cash Value Insurance Contract' means a Cash Value Insurance Contract that (i) provides coverage on individuals who are affiliated through an employer, trade association, labour union, or other association or group; and (ii) charges a premium for each member of the group (or member of a class within the group) that is determined without regard to the individual health characteristics other than age, gender, and smoking habits of the member (or class of members) of the group.

The term 'Group Annuity Contract' means an Annuity Contract under which the obligees are individuals who are affiliated through an employer, trade association, labour union, or other association or group.

C. Account Balance Aggregation and Currency Rules

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.
2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

3. Special Aggregation Rule Applicable to Relationship Managers. For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a financial account is a High Value Account, a Reporting Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.
4. Amounts Read to Include Equivalent in Other Currencies. All amounts denominated in the domestic currency of each Member State shall be read to include equivalent amounts in other currencies, as determined by domestic law.

This category is comprised of the integral parts, controlled entities, and political subdivisions of a Member State or other jurisdiction.
- (a) An ‘integral part’ of a Member State or other jurisdiction means any person, organisation, agency, bureau, fund, instrumentality, or other body, however designated, that constitutes a governing authority of a Member State or other jurisdiction. Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

3. The term 'International Organisation' means any international organisation or wholly owned agency or instrumentality thereof. This category includes any intergovernmental organisation (including a supranational organisation) (i) that is comprised primarily of governments; (ii) that has in effect a headquarters or substantially similar agreement with the Member State; and (iii) the income of which does not inure to the benefit of private persons.

 - (iv) contributions (other than certain permitted make-up contributions) by employees to the fund are limited by reference to earned income of the employee or may not exceed, annually, an amount denominated in the domestic currency of each Member State that corresponds to USD 50 000, applying the rules set forth in

paragraph C of Section VII for account aggregation and currency translation.

8. The term ‘Qualified Credit Card Issuer’ means a Financial Institution satisfying the following requirements:
 - (a) the Financial Institution is a Financial Institution solely because it is an issuer of credit cards that accepts deposits only when a customer makes a payment in excess of a balance due with respect to the card and the overpayment is not immediately returned to the customer; and
 - (b) beginning on or before 1 January 2016, the Financial Institution implements policies and procedures either to prevent a customer from making an overpayment in excess of an amount denominated in the domestic currency of each Member State that corresponds to USD 50 000, or to ensure that any customer overpayment in excess of that amount is refunded to the customer within 60 days, in each case applying the rules set forth in paragraph C of Section VII for account aggregation and currency translation. For this purpose, a customer overpayment does not refer to credit balances to the extent of disputed charges but does include credit balances resulting from merchandise returns.

- (b) in the case of a Financial Institution not described in subparagraph C(1)(a), any equity or debt interest in the Financial Institution, if the class of interests was established with the purpose of avoiding reporting in accordance with Section I; and
- (c) any Cash Value Insurance Contract and any Annuity Contract issued or maintained by a Financial Institution, other than a non-investment-linked, non-transferable immediate life annuity that is issued to an individual and monetises a pension or disability benefit provided under an account that is an Excluded Account.

The term 'Financial Account' does not include any account that is an Excluded Account.

 - (i) the Account Holder also holds with the Reporting Financial Institution (or with a Related Entity within the same Member State as the Reporting Financial Institution) a Financial Account that is a Pre-existing Account under subparagraph C(9)(a);
 - (ii) the Reporting Financial Institution (and, as applicable, the Related Entity within the same Member State as the Reporting Financial Institution) treats both of the aforementioned Financial Accounts, and any other Financial Accounts of the Account Holder that are treated as Pre-existing Accounts under point (b), as a single Financial Account for purposes of satisfying the standards of knowledge requirements set forth in paragraph A of Section VII, and for purposes of determining the balance or value of any of the Financial Accounts when applying any of the account thresholds;
 - (iii) with respect to a Financial Account that is subject to AML/KYC Procedures, the Reporting Financial Institution is permitted to satisfy such AML/KYC Procedures for the Financial Account by relying upon the AML/KYC Procedures performed for the Pre-existing Account described in subparagraph C(9)(a); and
 - (iv) the opening of the Financial Account does not require the provision of new, additional or amended customer information by the Account Holder other than for the purposes of this Directive.

 - (i) the account is subject to regulation as a personal retirement account or is part of a registered or regulated retirement or pension plan for the provision of retirement or pension benefits (including disability or death benefits);
 - (ii) the account is tax-favoured (i.e., contributions to the account that would otherwise be subject to tax are deductible or excluded from the gross income of the Account Holder or taxed at a reduced rate, or taxation of investment income from the account is deferred or taxed at a reduced rate);
 - (iii) information reporting is required to the tax authorities with respect to the account;
 - (iv) withdrawals are conditioned on reaching a specified retirement age, disability, or death, or penalties apply to withdrawals made before such specified events; and

A Financial Account that otherwise satisfies the requirement of subparagraph C(17)(a)(v) will not fail to satisfy such requirement solely because such Financial Account may receive assets or funds transferred from one or more Financial Accounts that meet the requirements of subparagraph C(17)(a) or (b) or from one or more retirement or pension funds that meet the requirements of any of subparagraphs B(5) through (7);

A Financial Account that otherwise satisfies the requirement of subparagraph C(17)(b)(iv) will not fail to satisfy such requirement solely because such Financial Account may receive assets or funds transferred from one or more Financial Accounts that meet the requirements of subparagraph C(17)(a) or (b) or from one or more retirement or pension funds that meet the requirements of any of subparagraphs B(5) through (7);

 - the assets of the account, including the income earned thereon, will be paid or otherwise distributed for the benefit of the purchaser, seller, lessor, or lessee (including to satisfy such person's obligation) when the property is sold, exchanged, or surrendered, or the lease terminates,
 - the account is not a margin or similar account established in connection with a sale or exchange of a Financial Asset, and
 - the account is not associated with an account described in subparagraph C(17)(f);

 - (ii) beginning on or before 1 January 2016, the Financial Institution implements policies and procedures either to prevent a customer from making an overpayment in excess of an amount denominated in the domestic currency of each Member State that corresponds to USD 50 000, or to ensure that any customer overpayment in excess of that amount is refunded to the customer within 60 days, in each case applying the rules set forth in paragraph C of Section VII for currency translation.  - (a) less than 50 % of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50 % of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;

- (e) the NFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;

E. Miscellaneous

1. The term 'Account Holder' means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of this Directive, and such other person is treated as holding the account. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.
2. The term 'AML/KYC Procedures' means the customer due diligence procedures of a Reporting Financial Institution pursuant to the anti-money laundering or similar requirements to which such Reporting Financial Institution is subject.
3. The term 'Entity' means a legal person or a legal arrangement, such as a corporation, partnership, trust, or foundation.
4. An Entity is a 'Related Entity' of another Entity if (i) either Entity controls the other Entity; (ii) the two Entities are under common control; or (iii) the two Entities are Investment Entities described in subparagraph A(6)(b), are under common management, and such management fulfils the due diligence obligations of such Investment Entities. For this purpose control includes direct or indirect ownership of more than 50 % of the vote and value in an Entity.
5. The term 'TIN' means Taxpayer Identification Number (or functional equivalent in the absence of a Taxpayer Identification Number).
6. The term 'Documentary Evidence' includes any of the following:
 - (a) a certificate of residence issued by an authorised government body (for example, a government or agency thereof, or a municipality) of the Member State or other jurisdiction in which the payee claims to be a resident;
 - (b) with respect to an individual, any valid identification issued by an authorised government body (for example, a government or agency thereof, or a municipality), that includes the individual's name and is typically used for identification purposes;
 - (c) with respect to an Entity, any official documentation issued by an authorised government body (for example, a government or agency thereof, or a municipality) that includes the name of the Entity and either the address of its principal office in the Member State or other jurisdiction in which it claims

to be a resident or the Member State or other jurisdiction in which the Entity was incorporated or organised;

- (d) any audited financial statement, third-party credit report, bankruptcy filing, or securities regulator's report.

With respect to a Pre-existing Entity Account, Reporting Financial Institutions may use as Documentary Evidence any classification in the Reporting Financial Institution's records with respect to the Account Holder that was determined based on a standardised industry coding system, that was recorded by the Reporting Financial Institution consistent with its normal business practices for purposes of AML/KYC Procedures or another regulatory purposes (other than for tax purposes) and that was implemented by the Reporting Financial Institution prior to the date used to classify the Financial Account as a Pre-existing Account, provided that the Reporting Financial Institution does not know or does not have reason to know that such classification is incorrect or unreliable. The term 'standardised industry coding system' means a coding system used to classify establishments by business type for purposes other than tax purposes.

SECTION IX

EFFECTIVE IMPLEMENTATION

Pursuant to Article 8(3a) of this Directive, Member States must have rules and administrative procedures in place to ensure effective implementation of, and compliance with, the reporting and due diligence procedures set out above including:

- (1) rules to prevent any Financial Institutions, persons or intermediaries from adopting practices intended to circumvent the reporting and due diligence procedures;
- (2) rules requiring Reporting Financial Institutions to keep records of the steps undertaken and any evidence relied upon for the performance of the above procedures and adequate measures to obtain those records;
- (3) administrative procedures to verify Reporting Financial Institutions' compliance with the reporting and due diligence procedures; administrative procedures to follow up with a Reporting Financial Institution when undocumented accounts are reported;
- (4) administrative procedures to ensure that the Entities and accounts defined in domestic law as Non-Reporting Financial Institutions and Excluded Accounts continue to have a low risk of being used to evade tax; and
- (5) effective enforcement provisions to address non-compliance.

SECTION X

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

In the case of Pre-existing Accounts held by Reporting Financial Institutions located in Austria, all references to ‘31 December 2015’ in this Annex should be read as references to ‘31 December 2016’.

ANNEX II

COMPLEMENTARY REPORTING AND DUE DILIGENCE RULES FOR FINANCIAL ACCOUNT INFORMATION

1. Change in circumstances

A ‘change in circumstances’ includes any change that results in the addition of information relevant to a person's status or otherwise conflicts with such person's status. In addition, a change in circumstances includes any change or addition of information to the Account Holder's account (including the addition, substitution, or other change of an Account Holder) or any change or addition of information to any account associated with such account (applying the account aggregation rules described in subparagraphs C(1) through (3) of Section VII of Annex I) if such change or addition of information affects the status of the Account Holder.

If a Reporting Financial Institution has relied on the residence address test described in subparagraph B(1) of Section III of Annex I and there is a change in circumstances that causes the Reporting Financial Institution to know or have reason to know that the original Documentary Evidence (or other equivalent documentation) is incorrect or unreliable, the Reporting Financial Institution must, by the later of the last day of the relevant calendar year or other appropriate reporting period, or 90 calendar days following the notice or discovery of such change in circumstances, obtain a self-certification and new Documentary Evidence to establish the residence(s) for tax purposes of the Account Holder. If the Reporting Financial Institution cannot obtain the self-certification and new Documentary Evidence by such date, the Reporting Financial Institution must apply the electronic record search procedure described in subparagraphs B(2) through (6) of Section III of Annex I.

2. Self-certification for New Entity Accounts

With respect to New Entity Accounts, for the purposes of determining whether a Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may only rely on a self-certification from either the Account Holder or the Controlling Person.

3. Residence of a Financial Institution

A Financial Institution is ‘resident’ in a Member State if it is subject to the jurisdiction of such Member State (i.e., the Member State is able to enforce reporting by the Financial Institution). In general, where a Financial Institution is resident for tax purposes in a Member State, it is subject to the jurisdiction of such Member State and it is, thus, a Member State Financial Institution. In the case of a trust that is a Financial Institution (irrespective of whether it is resident for tax purposes in a Member State), the trust is considered to be subject to the jurisdiction of a Member State if one or more of its trustees are resident in such Member State except if the trust reports all the information required to be reported pursuant to this Directive with respect to Reportable Accounts maintained by the trust to another Member State because it is resident for tax purposes in such other Member State. However, where a Financial Institution (other than a trust) does not have a residence for tax purposes (e.g., because it is treated as fiscally transparent, or it is located in a jurisdiction that does not have an income tax), it is considered to be subject to the jurisdiction of a Member State and it is, thus, a Member State Financial Institution if:

- (a) it is incorporated under the laws of the Member State;
- (b) it has its place of management (including effective management) in the Member State; or
- (c) it is subject to financial supervision in the Member State.

Where a Financial Institution (other than a trust) is resident in two or more Member States, such Financial Institution will be subject to the reporting and due diligence obligations of the Member State in which it maintains the Financial Account(s).

4. Account maintained

In general, an account would be considered to be maintained by a Financial Institution as follows:

- (a) in the case of a Custodial Account, by the Financial Institution that holds custody over the assets in the account (including a Financial Institution that holds assets in street name for an Account Holder in such institution);
- (b) in the case of a Depository Account, by the Financial Institution that is obligated to make payments with respect to the account (excluding an agent of a Financial Institution regardless of whether such agent is a Financial Institution);
- (c) in the case of any equity or debt interest in a Financial Institution that constitutes a Financial Account, by such Financial Institution;
- (d) in the case of a Cash Value Insurance Contract or an Annuity Contract, by the Financial Institution that is obligated to make payments with respect to the contract.

5. Trusts that are Passive NFEs

An Entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes, according to subparagraph D(3) of Section VIII of Annex I, shall be treated as resident in the jurisdiction in which its place of effective management is situated. For these purposes, a legal person or a legal arrangement is considered 'similar' to a partnership and a limited liability partnership where it is not treated as a taxable unit in a Member State under the tax laws of such Member State. However, in order to avoid duplicate reporting (given the wide scope of the term 'Controlling Persons' in the case of trusts), a trust that is a Passive NFE may not be considered a similar legal arrangement.

6. Address of Entity's principal office

One of the requirements described in subparagraph E(6)(c) of Section VIII of Annex I is that, with respect to an Entity, the official documentation includes either the address of the Entity's principal office in the Member State or other jurisdiction in which it claims to be a resident or the Member State or other jurisdiction in which the Entity was incorporated or organised. The address of the Entity's principal office is generally the place in which its place of effective management is situated. The address of a Financial Institution with which the Entity maintains an account, a post office box, or an address used solely for mailing purposes is not the address of the Entity's principal office unless such address is the only address used by the Entity and appears as the Entity's registered address in the Entity's organisational documents. Further, an address that is provided subject to instructions to hold all mail to that address is not the address of the Entity's principal office.]
