6. Address of Entity's principal office [U.K.]

One of the requirements described in subparagraph E(6)(c) of Section VIII of Annex I is that, with respect to an Entity, the official documentation includes either the address of the Entity's principal office in the Member State or other jurisdiction in which it claims to be a resident or the Member State or other jurisdiction in which the Entity was incorporated or organised. The address of the Entity's principal office is generally the place in which its place of effective management is situated. The address of a Financial Institution with which the Entity maintains an account, a post office box, or an address used solely for mailing purposes is not the address of the Entity's principal office unless such address is the only address used by the Entity and appears as the Entity's registered address in the Entity's organisational documents. Further, an address that is provided subject to instructions to hold all mail to that address is not the address of the Entity's principal office.]
