

Directive 2011/93/EU of the European Parliament and of the Council of 13 December 2011 on combating the sexual abuse and sexual exploitation of children and child pornography, and replacing Council Framework Decision 2004/68/JHA

Article 15

Investigation and prosecution

1 Member States shall take the necessary measures to ensure that investigations into or the prosecution of the offences referred to in Articles 3 to 7 are not dependent on a report or accusation being made by the victim or by his or her representative, and that criminal proceedings may continue even if that person has withdrawn his or her statements.

2 Member States shall take the necessary measures to enable the prosecution of any of the offences referred to in Article 3, Article 4(2), (3), (5), (6) and (7) and of any serious offences referred to in Article 5(6) when child pornography as referred to in Article 2(c)(i) and (ii) has been used, for a sufficient period of time after the victim has reached the age of majority and which is commensurate with the gravity of the offence concerned.

3 Member States shall take the necessary measures to ensure that effective investigative tools, such as those which are used in organised crime or other serious crime cases are available to persons, units or services responsible for investigating or prosecuting offences referred to in Articles 3 to 7.

4 Member States shall take the necessary measures to enable investigative units or services to attempt to identify the victims of the offences referred to in Articles 3 to 7, in particular by analysing child pornography material, such as photographs and audiovisual recordings transmitted or made available by means of information and communication technology.
