5 By way of derogation from the third subparagraph of paragraph 1, from point (b) of paragraph 3 and from paragraph 4, where a competent authority supervises on an individual basis more than one credit institution within a group, the consolidating supervisor shall be the competent authority that supervises on an individual basis one or more credit institutions within the group where the sum of the balance sheet totals of those supervised credit institutions is higher than that of the credit institutions supervised on an individual basis by any other competent authority.

By way of derogation from point (c) of paragraph 3, where a competent authority supervises on an individual basis more than one investment firm within a group, the consolidating supervisor shall be the competent authority that supervises on an individual basis one or more investment firms within the group with the highest balance sheet total in aggregate.

6 In particular cases, the competent authorities may waive by common agreement the criteria referred to in paragraphs 1, 3 and 4 and appoint a different competent authority to exercise supervision on a consolidated basis where the application of the criteria referred to therein would be inappropriate, taking into account the institutions concerned and the relative importance of their activities in the relevant Member States, or the need to ensure the continuity of supervision on a consolidated basis by the same competent authority. In such cases, the EU parent institution, EU parent financial holding company, EU parent mixed financial holding company or the institution with the largest balance sheet total, as applicable, shall have the right to be heard before the competent authorities take the decision.

7 The competent authorities shall notify the Commission and EBA without delay of any agreement falling within paragraph 6.]
