TITLE VII

PRUDENTIAL SUPERVISION

CHAPTER 3

Supervision on a consolidated basis

Section I

Principles for conducting supervision on a consolidated basis

Article 114

Information requirements in emergency situations

1 Where an emergency situation, including a situation as described in Article 18 of Regulation (EU) No 1093/2010 or a situation of adverse developments in markets, arises, which potentially jeopardises the market liquidity and the stability of the financial system in any of the Member State where entities of a group have been authorised or where significant branches referred to in Article 51 are established, the consolidating supervisor shall, subject to Chapter 1, Section 2, and where applicable Articles 54 and 58 of Directive 2004/39/EC, alert as soon as is practicable, EBA and the authorities referred to in Article 58(4) and Article 59 and shall communicate all information essential for the pursuance of their tasks. Those obligations shall apply to all competent authorities.

If an ESCB central bank becomes aware of a situation described in the first subparagraph, it shall alert as soon as is practicable the competent authorities referred to in Article 112, and EBA.

Where possible, the competent authority and the authority referred to in Article 58(4) shall use existing channels of communication.

2 The consolidating supervisor shall, where it needs information which has already been given to another competent authority, contact that authority where possible in order to prevent duplication of reporting to the various authorities involved in supervision.
