TITLE VII

**PRUDENTIAL SUPERVISION**

*CHAPTER 3*

*Supervision on a consolidated basis*

*Section II*

*Financial holding companies, mixed financial holding companies and mixed-activity holding companies*

*Article 119*

**Inclusion of holding companies in consolidated supervision**

1 Member States shall adopt any measures necessary, where appropriate, to include financial holding companies and mixed financial holding companies in consolidated supervision.

2 Where a subsidiary that is an institution is not included in supervision on a consolidated basis under one of the cases provided for in Article 19 of Regulation (EU) No 575/2013, the competent authorities of the Member State in which that subsidiary is situated may ask the parent undertaking for information which may facilitate their supervision of that subsidiary.

3 Member States shall enable their competent authorities responsible for exercising supervision on a consolidated basis to ask the subsidiaries of an institution, a financial holding company or mixed financial holding company, which are not included within the scope of supervision on a consolidated basis for the information referred to in Article 122. In such a case, the procedures for transmitting and checking the information set out in that Article shall apply.

*Article 120*

**Supervision of mixed financial holding companies**

1 Where a mixed financial holding company is subject to equivalent provisions under this Directive and under Directive 2002/87/EC, in particular in terms of risk-based supervision, the consolidating supervisor may, after consulting the other competent authorities responsible for the supervision of subsidiaries, apply only Directive 2002/87/EC to that mixed financial holding company.

2 Where a mixed financial holding company is subject to equivalent provisions under this Directive and under Directive 2009/138/EC, in particular in terms of risk-based supervision, the consolidating supervisor may, in agreement with the group supervisor in the insurance sector, apply to that mixed financial holding company only the provisions of this Directive relating to the most significant financial sector as defined in Article 3(2) of Directive 2002/87/EC.

3 The consolidating supervisor shall inform EBA and EIOPA of the decisions taken under paragraphs 1 and 2.

4 EBA, EIOPA and ESMA shall, through the Joint Committee referred to in Article 54 of Regulations (EU) No 1093/2010, (EU) No 1094/2010 and (EU) No 1095/2010, develop guidelines aiming to converge supervisory practices and shall, within three years of the adoption of those guidelines, develop draft regulatory technical standards for the same purpose.

Power is delegated to the Commission to adopt the regulatory technical standards referred to in the first subparagraph in accordance with Articles 10 to 14 of Regulations (EU) No 1093/2010, (EU) No 1094/2010 and (EU) No 1095/2010.

#### *Article 121*

### **Qualification of directors**

Member States shall require that the members of the management body of a financial holding company or mixed financial holding company be of sufficiently good repute and possess sufficient knowledge, skills and experience as referred to in Article 91(1) to perform those duties, taking into account the specific role of a financial holding company or mixed financial holding company.

#### *Article 122*

### **Requests for information and inspections**

1 Pending further coordination of consolidation methods, Member States shall provide that, where the parent undertaking of one or more institutions is a mixed-activity holding company, the competent authorities responsible for the authorisation and supervision of those institutions shall, by approaching the mixed-activity holding company and its subsidiaries either directly or via subsidiaries that are institutions, require them to supply any information which would be relevant for the purpose of supervising those subsidiaries.

2 Member States shall provide that their competent authorities may carry out, or have carried out by external inspectors, on-the-spot inspections to check information received from mixed-activity holding companies and their subsidiaries. If the mixed-activity holding company or one of its subsidiaries is an insurance undertaking, the procedure set out in Article 125 may also be used. If a mixed-activity holding company or one of its subsidiaries is situated in a Member State other than that in which a subsidiary that is an institution is situated, on-the-spot check of information shall be carried out in accordance with the procedure set out in Article 118.

#### *Article 123*

### **Supervision**

1 Without prejudice to Part Four of Regulation (EU) No 575/2013, Member States shall provide that, where the parent undertaking of one or more institutions is a mixed-activity holding

company, the competent authorities responsible for the supervision of those institutions shall exercise general supervision over transactions between the institution and the mixed-activity holding company and its subsidiaries.

2 Competent authorities shall require institutions to have in place adequate risk management processes and internal control mechanisms, including sound reporting and accounting procedures in order to identify, measure, monitor and control transactions with their parent mixed-activity holding company and its subsidiaries appropriately. Competent authorities shall require the reporting by the institution of any significant transaction with those entities other than the one referred to in Article 394 of Regulation (EU) No 575/2013. Those procedures and significant transactions shall be subject to overview by the competent authorities.

#### *Article 124*

### **Exchange of information**

1 Member States shall ensure that there are no legal impediments preventing the exchange, as between undertakings included within the scope of supervision on a consolidated basis, mixed-activity holding companies and their subsidiaries, or subsidiaries as referred to in Article 119(3), of any information which would be relevant for the purposes of supervision in accordance with Article 110 and Chapter 3.

2 Where a parent undertaking and any of its subsidiaries that are institutions are situated in different Member States, the competent authorities of each Member State shall communicate to each other all relevant information which may allow or aid the exercise of supervision on a consolidated basis.

Where the competent authorities of the Member State in which a parent undertaking is situated do not themselves exercise supervision on a consolidated basis pursuant to Article 111, they may be invited by the competent authorities responsible for exercising such supervision to ask the parent undertaking for any information which would be relevant for the purposes of supervision on a consolidated basis and to transmit it to those authorities.

3 Member States shall authorise the exchange between their competent authorities of the information referred to in paragraph 2, on the understanding that, in the case of financial holding companies, mixed financial holding companies, financial institutions or ancillary services undertakings, the collection or possession of information shall not imply that the competent authorities are required to play a supervisory role in relation to those institutions or undertakings standing alone.

Similarly, Member States shall authorise their competent authorities to exchange the information referred to in Article 122 on the understanding that the collection or possession of information does not imply that the competent authorities play a supervisory role in relation to the mixed-activity holding company and those of its subsidiaries which are not credit institutions, or to subsidiaries as referred to in Article 119(3).

## *Article 125*

### **Cooperation**

1 Where an institution, financial holding company, mixed financial holding company or a mixed-activity holding company controls one or more subsidiaries which are insurance companies or other undertakings providing investment services which are subject to authorisation, the competent authorities and the authorities entrusted with the public task of supervising insurance undertakings or those other undertakings providing investment services shall cooperate closely. Without prejudice to their respective responsibilities, those authorities shall provide one another with any information likely to simplify their task and to allow supervision of the activity and overall financial situation of the undertakings they supervise.

2 Information received, within the framework of supervision on a consolidated basis, and in particular any exchange of information between competent authorities which is provided for in this Directive, shall be subject to professional secrecy requirements at least equivalent to those referred to in Article 53(1) of this Directive for credit institutions or under Directive 2004/39/EC for investment firms.

3 The competent authorities responsible for supervision on a consolidated basis shall establish lists of the financial holding companies or mixed financial holding companies referred to in Article 11 of Regulation (EU) No 575/2013. Those lists shall be communicated to the competent authorities of the other Member States, to EBA and to the Commission.

## *Article 126*

### **Penalties**

In accordance with Chapter 1, Section IV of this Title, Member States shall ensure that administrative penalties or other administrative measures aiming to end observed breaches or the causes of such breaches may be imposed on financial holding companies, mixed financial holding companies, and mixed-activity holding companies, or their effective managers, that breach laws, regulations or administrative provisions transposing this Chapter.

## *Article 127*

### **Assessment of equivalence of third countries' consolidated supervision**

1 Where an institution, the parent undertaking of which is an institution or a financial holding company or mixed financial holding company, the head office of which is in a third country, is not subject to consolidated supervision under Articles 111, the competent authorities shall assess whether the institution is subject to consolidated supervision by a third-country supervisory authority which is equivalent to that governed by the principles set out in this Directive and the requirements of Part One, Title II, Chapter 2 of Regulation (EU) No 575/2013.

The assessment shall be carried out by the competent authority which would be responsible for consolidated supervision if paragraph 3 were to apply, at the request of the parent undertaking or of any of the regulated entities authorised in the Union or on its own initiative. That competent authority shall consult the other competent authorities involved.

2 The Commission may request the European Banking Committee to give general guidance as to whether the consolidated supervision arrangements of supervisory authorities in third countries are likely to achieve the objectives of consolidated supervision as set out in this Chapter, in relation to institutions the parent undertaking of which has its head office in a third country. The European Banking Committee shall keep any such guidance under review and take into account any changes to the consolidated supervision arrangements applied by such competent authorities. EBA shall assist the Commission and the European Banking Committee in carrying out those tasks, including as to assessing whether such guidance should be updated.

The competent authority carrying out the assessment referred to in the first subparagraph of paragraph 1 shall take into account any such guidance. For that purpose, the competent authority shall consult EBA before adopting a decision.

3 In the absence of such equivalent supervision, Member States shall apply this Directive and Regulation (EU) No 575/2013 to the institution *mutatis mutandis* or shall allow their competent authorities to apply other appropriate supervisory techniques which achieve the objectives of supervision on a consolidated basis of institutions.

Those supervisory techniques shall, after consulting the other competent authorities involved, be agreed upon by the competent authority which would be responsible for consolidated supervision.

Competent authorities may in particular require the establishment of a financial holding company or mixed financial holding company which has its head office in the Union, and apply the provisions on consolidated supervision to the consolidated position of that financial holding company or the consolidated position of the institutions of that mixed financial holding company.

The supervisory techniques shall be designed to achieve the objectives of consolidated supervision as set out in this Chapter and shall be notified to the other competent authorities involved, to EBA and to the Commission.
