ANNEX IV

**DEADLINES FOR THE ADOPTION OF THE
IMPLEMENTING ACTS REFERRED TO IN ARTICLE 35**

1. The implementing acts referred to in Article 35 shall be adopted within the following periods:

- (a) 90 working days where free access to a given market is presumed on the basis of the first subparagraph of Article 34(3);
- (b) 130 working days in cases other than those referred to in point (a).

The periods set out in points (a) and (b) of this paragraph shall be prolonged by 15 working days where the request is not accompanied by a reasoned and substantiated position, adopted by an independent national authority that is competent in relation to the activity concerned, which thoroughly analyses the conditions for the possible applicability of Article 34(1) to the activity concerned in accordance with Article 34(2) and (3).

Those deadlines shall commence on the first working day following the date on which the Commission receives the request referred to in Article 35(1) or, where the information to be supplied with the request is incomplete, on the working day following the receipt of the complete information.

The periods set out in the first subparagraph may be extended by the Commission with the agreement of the Member State or contracting entity which has presented the request.

2. The Commission may require the Member State or the contracting entity concerned or the independent national authority referred to under paragraph 1 or any other competent national authority to provide all necessary information or to supplement or clarify information given within an appropriate time limit. In the event of late or incomplete answers, the periods set out in the first subparagraph of paragraph 1 shall be suspended for the period between the expiry of the time limit set in the request for information, and the receipt of the complete and correct information.

ANNEX V

REQUIREMENTS RELATING TO TOOLS AND DEVICES FOR THE ELECTRONIC RECEIPT OF TENDERS, REQUESTS TO PARTICIPATE, APPLICATIONS FOR QUALIFICATION AS WELL AS PLANS AND PROJECTS IN CONTESTS

Tools and devices for the electronic receipt of tenders, requests to participate, applications for qualification as well as plans and projects in contests must guarantee, through technical means and appropriate procedures, at least that:

- (a) the exact time and date of the receipt of tenders, requests to participate, applications for qualification as well as the submission of plans and projects can be determined precisely;
- (b) it may be reasonably ensured that, before the time limits laid down, no-one can have access to data transmitted under those requirements;
- (c) only authorised persons may set or change the dates for opening data received;
- (d) during the various stages of the qualification procedure, the procurement procedure or contest, access to all data submitted, or to part thereof, must be possible only for authorised persons;
- (e) only authorised persons must give access to data transmitted and only after the prescribed date;

- (f) data received and opened in accordance with those requirements must remain accessible only to persons authorised to acquaint themselves therewith,
- (g) where the access prohibitions or conditions referred to under points (b) to (f) are infringed or there is an attempt to do so, it may be reasonably ensured that the infringements or attempts are clearly detectable.

ANNEX VI

PART A

INFORMATION TO BE INCLUDED IN THE PERIODIC INDICATIVE NOTICE

(as referred to in Article 67)

I. Information to be included in all cases

1. Name, identification number (where provided for in national legislation), address including NUTS code, telephone, fax number, e-mail and internet address of the contracting entity and, where different, of the service from which additional information may be obtained.
2. Main activity exercised.
- 3.
- (a) For supply contracts: nature and quantity or value of the services or products to be supplied (CPV codes).
- (b) For works contracts: nature and extent of the services to be provided, the general characteristics of the work or of the lots by reference to the work (CPV codes).
- (c) For service contracts: intended total procurement in each of the service categories envisaged (CPV codes).
4. Date of dispatch of the notice or of dispatch of the notice of the publication of this notice on the buyer profile.
5. Any other relevant information.

II. Additional information to be supplied where the notice is used as a means of calling for competition or permits the reduction of the time limits for the receipt of tenders (article 67(2))

6. A reference to the fact that interested economic operators shall advise the entity of their interest in the contract or contracts.
7. E-mail or internet address at which the specifications procurement documents will be available for unrestricted and full direct access, free of charge.

Where unrestricted and full direct access, free of charge, is not available for the reasons set out in the third and fourth subparagraph of Article 73(1), an indication of how the procurement documents can be accessed.

8. Where appropriate, state whether the contract is reserved for sheltered workshops or whether its performance is reserved in the context of sheltered employment programmes.
9. Time limit for the receipt of applications for an invitation to tender or to negotiate.
10. Nature and quantity of the products to be supplied or general nature of the work or category of service and description, stating if framework agreement(s) are envisaged, including any options for further procurement and the estimated time available for exercising those options as well as the number of renewals, if any. In the case of recurring contracts, also, an estimate of the timing of the subsequent calls for competition. State whether purchase, lease, rental or hire-purchase or any combination of those is involved.
11. NUTS code for the main location of works in case of works or NUTS code for the main place of delivery or performance in supplies and service; if the contract is divided into lots, this information shall be provided for each lot.
12. Time limits for delivery or completion or duration of service contract and, as far as possible, for starting.
13. Address to which interested undertakings shall send their expressions of interest in writing.
14. Time limit for receipt of expressions of interest.
15. Language or languages authorised for the presentation of candidatures or tenders.
16. Economic and technical conditions, and financial and technical guarantees required of suppliers.
17.
 - (a) Estimated date for initiating the procurement procedures in respect of the contract or contracts (if known);
 - (b) Type of procurement procedure (restricted procedures, whether or not involving a dynamic purchasing system, or negotiated procedures).
18. Where appropriate, particular conditions to which the performance of the contract is subject.
19. Where appropriate, indication whether:
 - (a) electronic submission of tenders or requests to participate will be required/accepted,
 - (b) electronic ordering will be used,
 - (c) electronic invoicing will be used,
 - (d) electronic payment will be accepted.
20. Name and address of the body responsible for appeal and, where appropriate, mediation procedures. Precise information concerning time limits for lodging appeals, or, if need be, the name, address, telephone number, fax number and e-mail address of the service from which this information may be obtained.

21. Where known, criteria referred to in Article 82 to be used for award of the contract. Except where the most economically advantageous tender is identified on the basis of price alone, criteria representing the most economically advantageous tender as well as their weighting or, where appropriate, the order of importance of those criteria shall be mentioned, where they do not appear in the specifications, or will not be indicated in the invitation to confirm interest referred to in point (b) of Article 67(2) or in the invitation tender or to negotiate.

PART B

INFORMATION TO BE INCLUDED IN NOTICES OF PUBLICATION OF A PERIODIC INDICATIVE NOTICE ON A BUYER PROFILE NOT USED AS A MEANS OF CALLING FOR COMPETITION

(as referred to in Article 67(1))

1. Name, identification number (where provided for in national legislation), address including NUTS code, telephone, fax number, e-mail and internet address of the contracting entity and, where different, of the service from which additional information may be obtained.
2. Main activity exercised.
3. CPV Codes.
4. Internet address of the 'buyer profile' (URL).
5. Date of dispatch of the notice of the publication of the prior information notice on the buyer profile.

ANNEX VII

INFORMATION TO BE INCLUDED IN THE PROCUREMENT DOCUMENTS RELATING TO ELECTRONIC AUCTIONS (ARTICLE 53(4))

Where contracting entities have decided to hold an electronic auction, the procurement documents shall include at least the following details:

- (a) the features whose values will be the subject of electronic auction, provided that such features are quantifiable and can be expressed in figures or percentages;
- (b) any limits on the values which may be submitted, as they result from the specifications relating to the subject of the contract;
- (c) the information which will be made available to tenderers in the course of the electronic auction and, where appropriate, when it will be made available to them;
- (d) the relevant information concerning the electronic auction process;
- (e) the conditions under which the tenderers will be able to bid and, in particular, the minimum differences which will, where appropriate, be required when bidding;

- (f) the relevant information concerning the electronic equipment used and the arrangements and technical specifications for connection.

ANNEX VIII

DEFINITION OF CERTAIN TECHNICAL SPECIFICATIONS

For the purposes of this Directive,

- (1) ‘technical specification’ means one of the following:
- (a) in the case of service or supply contracts a specification in a document defining the required characteristics of a product or a service, such as quality levels, environmental and climate performance levels, design for all requirements (including accessibility for disabled persons) and conformity assessment, performance, use of the product, safety or dimensions, including requirements relevant to the product as regards the name under which the product is sold, terminology, symbols, testing and test methods, packaging, marking and labelling, user instructions, production processes and methods at any stage of the life cycle of the supply or service and conformity assessment procedures;
 - (b) in the case of works contracts, the totality of the technical prescriptions contained in particular in the procurement documents, defining the characteristics required of a material, product or supply, which permits a material, a product or a supply to be described in a manner such that it fulfils the use for which it is intended by the contracting entity; those characteristics include levels of environmental and climate performance, design for all requirements (including accessibility for disabled persons) and conformity assessment, performance, safety or dimensions, including the procedures concerning quality assurance, terminology, symbols, testing and test methods, packaging, marking and labelling, user instructions, and production processes and methods at any stage of the life cycle of the works; those characteristics also include rules relating to design and costing, the test, inspection and acceptance conditions for works and methods or techniques of construction and all other technical conditions which the contracting entity is in a position to prescribe, under general or specific regulations, in relation to the finished works and to the materials or parts which they involve;
- (2) ‘standard’ means a technical specification, adopted by a recognised standardisation body, for repeated or continuous application, with which compliance is not compulsory, and which is one of the following:
- (a) ‘international standard’ means a standard adopted by an international standardisation organisation and made available to the general public,
 - (b) ‘European standard’ means a standard adopted by a European standardisation organisation and made available to the general public,
 - (c) ‘national standard’ means a standard adopted by a national standardisation organisation and made available to the general public;

- (3) ‘European Technical Assessment’ means the documented assessment of the performance of a construction product, in relation to its essential characteristics, in accordance with the respective European Assessment Document, as defined in point 12 of Article 2 of Regulation (EU) No 305/2011 of the European Parliament and of the Council⁽¹⁾;
- (4) ‘common technical specification’ means a technical specification in the field of ICT laid down in accordance with Articles 13 and 14 of Regulation (EU) No 1025/2012;
- (5) ‘technical reference’ means any deliverable produced by European standardisation bodies, other than European standards, according to procedures adapted to the development of market needs.

ANNEX IX

FEATURES CONCERNING PUBLICATION

1. Publication of notices

The notices referred to in Articles 67, 68, 69, 70, 92 and 96 must be sent by the contracting entities to the Publications Office of the European Union and published in accordance with the following rules:

- (a) Notices referred to in Articles 67, 68, 69, 70, 92 and 96 shall be published by the Publications Office of the European Union or by the contracting entities in the event of a periodic indicative notice published on a buyer profile in accordance with Article 67(1).

In addition, contracting entities may publish this information on the internet on a ‘buyer profile’ as referred to in point 2(b) below;

- (b) The Publications Office of the European Union will give the contracting entity the confirmation referred to in the second subparagraph of Article 71(5).

2. Publication of complementary or additional information

- (a) Except where otherwise provided for in the third and fourth subparagraph of Article 73(1), contracting entities shall publish the procurement documents in their entirety on the internet;
- (b) The buyer profile may include periodic indicative notices as referred to in Article 67(1), information on ongoing invitations to tender, scheduled purchases, contracts concluded, procedures cancelled and any useful general information, such as a contact point, a telephone and a fax number, a postal address and an e-mail address. The buyer profile may also include periodic indicative notices used as a means of calling for competition, which are published at national level pursuant to Article 72.

3. Format and procedures for the electronic transmission of notices

The format and procedure for sending notices electronically as established by the Commission are made accessible at the internet address <http://simap.eu.int>

ANNEX X

INFORMATION TO BE INCLUDED IN THE NOTICE ON THE EXISTENCE OF A QUALIFICATION SYSTEM(as referred to in point (b) of Article 44(4) and in Article 68)

1. Name, identification number (where provided for in national legislation), address including NUTS code, telephone, fax number, e-mail and internet address of the contracting entity and, where different, of the service from which additional information may be obtained.
2. Main activity exercised.
3. Where appropriate, state whether the contract is reserved for sheltered workshops or whether its performance is reserved in the context of sheltered employment programmes.
4. Purpose of the qualification system (description of the products, services or works or categories thereof to be procured through the system — CPV codes). NUTS code for the main location of works in case of works or NUTS code for the main place of delivery or performance in supplies and service.
5. Conditions to be fulfilled by the economic operators in view of their qualification pursuant to the system and the methods according to which each of those conditions will be verified. Where the description of such conditions and verification methods is voluminous and based on documents available to interested economic operators, a summary of the main conditions and methods and a reference to those documents shall be sufficient.
6. Period of validity of the qualification system and the formalities for its renewal.
7. Reference to the fact that the notice acts as the call for competition.
8. Address where further information and documentation concerning the qualification system can be obtained (where different from the addresses mentioned under point (1)).
9. Name and address of the body responsible for appeal and, where appropriate, mediation procedures. Precise information concerning time limits for lodging appeals, or, if need be, the name, address, telephone number, fax number and e-mail address of the service from which this information may be obtained.
10. Where known, criteria referred to in Article 82 to be used for award of the contract. Except where the most economically advantageous tender is identified on the basis of price alone, criteria representing the most economically advantageous tender as well as their weighting or, where appropriate, the order of importance of those criteria, shall be mentioned where they do not appear in the specifications or will not be indicated in the invitation to tender or to negotiate.
11. Where appropriate, indication whether:
 - (a) electronic submission of tenders or requests to participate will be required/accepted,
 - (b) electronic ordering will be used,
 - (c) electronic invoicing will be used,
 - (d) electronic payment will be accepted.
12. Any other relevant information.

ANNEX XI

INFORMATION TO BE INCLUDED IN CONTRACT NOTICES(as referred to in Article 69)

A. OPEN PROCEDURES

1. Name, identification number (where provided for in national legislation), address including NUTS code, telephone, fax number, e-mail and internet address of the contracting entity and, where different, of the service from which additional information may be obtained.
2. Main activity exercised.
3. Where appropriate, state whether the contract is reserved for sheltered workshops or whether its performance is reserved in the context of sheltered employment programmes.
4. Nature of the contract (supply, works or service, where appropriate, state if it is a framework agreement or a dynamic purchasing system), description (CPV codes). Where appropriate, state whether tenders are requested for purchase, lease, rental or hire purchase or any combination of those.
5. NUTS code for the main location of works in case of works or NUTS code for the main place of delivery or performance in supplies and service.
6. For supplies and works:
 - (a) nature and quantity of the products to be supplied (CPV codes), including any options for further procurement and, if possible, the estimated time available for exercising those options as well as the number of renewals, if any. In the case of recurring contracts, also, if possible, an estimate of the timing of the subsequent calls for competition for the products to be procured or the nature and extent of the services to be provided and general nature of the work (CPV codes);
 - (b) indication of whether the suppliers may tender for some and/or all the products required.

If, for works contracts, the work or the contract is subdivided into several lots, the order of size of the different lots and the possibility of tendering for one, for several or for all the lots;
 - (c) for works contracts: information concerning the purpose of the work or the contract where the latter also involves the drawing-up of projects.
7. For services:
 - (a) The nature and quantity of the products to be supplied, including any options for further procurement and, if possible, the estimated time available for exercising those options as well as the number of renewals, if any. In the case of recurring contracts, also, if possible, an estimate of the timing of the subsequent calls for competition for the services to be procured;
 - (b) Indication of whether the performance of the service is reserved by law, regulation or administrative provision to a particular profession;
 - (c) Reference of the law, regulation or administrative provision;

- (d) Indication of whether legal persons shall indicate the names and professional qualifications of the staff to be responsible for the performance of the service;
- (e) Indication of whether service providers may tender for a part of the services concerned.
- 8. Where known, indication of whether authorisation to submit variants exists or not.
- 9. Time limits for delivery or completion or duration of service contract and, as far as possible, the starting date.
- 10. E-mail or internet address at which the procurement documents will be available for unrestricted and full direct access, free of charge.
