TITLE II

COLLECTIVE MANAGEMENT ORGANISATIONS

CHAPTER 3

Management of rights on behalf of other collective management organisations

Article 15

Deductions and payments in representation agreements

1 Member States shall ensure that a collective management organisation does not make deductions, other than in respect of management fees, from the rights revenue derived from the rights it manages on the basis of a representation agreement, or from any income arising from the investment of that rights revenue, unless the other collective management organisation that is party to the representation agreement expressly consents to such deductions.

2 The collective management organisation shall regularly, diligently and accurately distribute and pay amounts due to other collective management organisations.

3 The collective management organisation shall carry out such distribution and payments to the other collective management organisation as soon as possible but no later than nine months from the end of the financial year in which the rights revenue was collected, unless objective reasons relating in particular to reporting by users, identification of rights, rightholders or matching of information on works and other subject-matter with rightholders prevent the collective management organisation from meeting that deadline.

The other collective management organisation, or, where it has as members entities representing rightholders, those members, shall distribute and pay the amounts due to rightholders as soon as possible but no later than six months from receipt of those amounts, unless objective reasons relating in particular to reporting by users, identification of rights, rightholders or matching of information on works and other subject-matter with rightholders prevent the collective management organisation or, where applicable, its members from meeting that deadline.
