*Article 12*

**Assessment period**

1 The competent authorities shall, promptly and in any event within two working days following receipt of the notification required under the first subparagraph of Article 11(1), as well as following the possible subsequent receipt of the information referred to in paragraph 2 of this Article, acknowledge receipt thereof in writing to the proposed acquirer.

The competent authorities shall have a maximum of sixty working days as from the date of the written acknowledgement of receipt of the notification and all documents required by the Member State to be attached to the notification on the basis of the list referred to in Article 13(4) (the ‘assessment period’), to carry out the assessment.

The competent authorities shall inform the proposed acquirer of the date of the expiry of the assessment period at the time of acknowledging receipt.

2 The competent authorities may, during the assessment period, if necessary, and no later than on the 50th working day of the assessment period, request any further information that is necessary to complete the assessment. Such request shall be made in writing and shall specify the additional information needed.

For the period between the date of request for information by the competent authorities and the receipt of a response thereto by the proposed acquirer, the assessment period shall be interrupted. The interruption shall not exceed 20 working days. Any further requests by the competent authorities for completion or clarification of the information shall be at their discretion but may not result in an interruption of the assessment period.

3 The competent authorities may extend the interruption referred to in the second subparagraph of paragraph 2 up to 30 working days if the proposed acquirer is one of the following:

- a a natural or legal person situated or regulated outside the Union;

This shall not prevent a Member State from allowing the competent authority to make such disclosure in the absence of a request by the proposed acquirer.

5 If the competent authorities do not oppose the proposed acquisition within the assessment period in writing, it shall be deemed to be approved.

6 The competent authorities may fix a maximum period for concluding the proposed acquisition and extend it where appropriate.

7 Member States may not impose requirements for the notification to and approval by the competent authorities of direct or indirect acquisitions of voting rights or capital that are more stringent than those set out in this Directive.

8 ESMA shall develop draft regulatory technical standards to establish an exhaustive list of information, referred to in Article 13(4) to be included by proposed acquirers in their notification, without prejudice to paragraph 2 of this Article.

ESMA shall submit those draft regulatory technical standards to the Commission by 1 January 2014.

Power is delegated to the Commission to adopt the regulatory technical standards referred to in the first subparagraph in accordance with Articles 10 to 14 of Regulation (EU) No 1095/2010.

9 ESMA shall develop draft implementing technical standards to determine standard forms, templates and procedures for the modalities of the consultation process between the relevant competent authorities as referred to in Article 11(2).

ESMA shall submit those draft implementing technical standards to the Commission by 1 January 2014.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the first subparagraph in accordance with Article 15 of Regulation (EU) No 1095/2010.
